Building better libraries for stronger communities.

The Branch Library Improvement Program (BLIP) is the largest capital improvement campaign in the history of the San Francisco Public Library. The program will provide the public with seismically safe, accessible, and technologically updated city-owned branch libraries in every neighborhood. Funded by a $106 million bond measure passed by voters in November 2000, BLIP calls for 17 branches to be renovated, four leased facilities to be replaced with city-owned buildings, two branches to be replaced with new buildings, and one brand-new branch to be constructed—the first in 40 years—in Mission Bay (completed in July 2006).

Visit these new and renovated branches to see how beautiful a branch can be!

Excelsior	Mission Bay
West Portal	Sunset
Marina	Glen Park
Western Addition	Noe Valley/Sally Brunn

Bond funding does not cover the entire cost of the projects: Furniture, fixtures and equipment must be paid for from private donations. Friends of the San Francisco Public Library is raising $16 million toward these needs. If you're interested in helping with the Neighborhood Library Campaign, please call (415) 626-7512, ext. 106.
