Community Benefits

- Promote increased access to
 - The Library's physical collections
 - In-person assistance from Library staff
 - Public computers and copiers
- Provide increased access to library programs
- Respond to community members' calls for 7 day service at all locations
- Activate all library buildings and grounds every day
- Encourage increased usage of branch libraries

Community Benefits (continued)

- Encourage increased partnership between the Library and agencies that serve youth
- Facilitate visits to the library by students and classes
- Promote use by working adults, families, and seniors
- Better match open hours to hours when people are at home in their communities
