

## **Gay and Lesbian Alliance Against Defamation / San Francisco Bay Area GLC 26**

**Clippings** (1989-1993, bulk 1991-1993). 3 cubic feet

GLAAD clipped references to gays and lesbians in newspapers and magazines as part of "Media Watch," an on-going project to monitor and respond to media coverage. The major publications consulted were the *Contra Costa Times*, *New York Times*, *Oakland Tribune*, *San Francisco Chronicle*, *San Francisco Examiner*, and the *San Jose Mercury News*. There are some additional clippings from various publications. The material is arranged chronologically, and then alphabetically by publication title. The subjects range from the Boy Scouts to gays in the military, and from reactions to the motion picture *Basic Instinct* to the 1992 elections. There are also guidelines for responses to the news stories and summaries of GLAAD's reactions to each article. (Donated by GLAAD, 1994-1995, Accessions #1994/4 and #1995/5).
