BIOGRAPHICAL NOTE

Robert Giard (1939-2002) was a photographer based in Amagansett, N.Y. He began photographing gay and lesbian literary figures in 1985. The archives of his project includes over 500 images, some of which have been exhibited at the San Francisco and New York Public Libraries and many other venues. He is represented by Vance Martin. The Robert Giard Papers/Archives were acquired by the Beinecke Rare Book & Manuscript Library at Yale University in March 2006. SCOPE & CONTENT NOTE

This collection contains portraits of 91 gay men and lesbians who are literary figures, community activists, and performing artists. Some portraits were chosen on the basis of the subjects' connection to the San Francisco Bay Area. Several of these images are reproduced in *Particular Voices: Portraits of Gay and Lesbian Writers* (MIT Press, ©1997). All photographs were printed by Robert Giard with the exception of Sherry Thomas and the self-portrait which were printed by the estate in 2003.
