CITY & COUNCIL PROPOSITIONS

PROPOSITION X
Shall the ordinance approving the lease of air rights over the Robert C. Levy Tunnel to a nonprofit corporation to build housing for low-income elderly and handicapped persons be adopted?

YES ☑️
NO ☐
YOUR RIGHTS AS A VOTER
by Ballot Simplification Committee

Q — Who can vote?
A — You can vote at this election only if you registered to vote by November 9, 1987.

Q — Who can register to vote?
A — You can register to vote if you:
• are a U.S. Citizen,
• are at least 18 years of age on election day,
• are a resident of California, and
• are not imprisoned or on parole for the conviction of a felony.

Q — How do I register?
A — Phone the Registrar of Voters at 554-4399. You will be mailed a form.

Q — Do I have to belong to a political party?
A — Only if you want to. If you don’t want to tell what political party you consider yours you can check the box on the form saying that you “Decline to Indicate”. At this election it doesn’t matter what party you belong to.

Q — If I have picked a party, can I vote for candidates of another political party?
A — At a general election or a local election you can vote for any candidate whose name appears on your ballot. At a primary election, you can only choose among the candidates of your own party. This election is a local election.

Q — Once I have signed up, do I have to do it again?
A — Only if you have moved.

Q — If I have been convicted of a felony, can I sign up to vote?
A — Yes, if you have served your sentence and parole.

Q — What candidates will voters be choosing at this election?
A — Mayor.

Q — Where do I go to vote?
A — Your polling place is printed above your name and address sent with this Voters’ Pamphlet (back cover).

Q — If I don’t know what to do when I get to my polling place, is there someone there to help me?
A — Yes, the workers at the polling place will help you. If they can’t help you, call 554-4375.

Q — When do I vote?
A — The election will be Tuesday, December 8, 1987. Your polling place is open from 7 A.M. to 8 P.M. that day.

Q — What do I do if my voting place is not open?
A — Call 554-4375.

Q — Can I take my sample ballot into the voting booth even if I’ve written on it?
A — Yes. Writing on your sample ballot will aid you in voting and will eliminate long lines at the polls.

Q — Can I vote for someone whose name is not on the ballot?
A — Yes. This is called a “write-in”. If you want to and don’t know how, ask one of the workers to help you. The poll workers will have a list of eligible write-ins.

Q — What do I do if I cannot work the voting machine?
A — Ask the workers and they will help you.

Q — Can a worker at the voting place ask me to take any test?
A — No.

Q — Is it true that I can take time off from my job to go vote on election day?
A — Not at this election. There is a law that permits time off for voting but it applies to statewide elections only.

Q — Is there any way to vote besides going to the polls on election day?
A — Yes. You can vote early by:
• Going to the Registrar of Voters office in City Hall and voting there, or
• mailing in the absentee ballot application sent with this voter information pamphlet.

Q — What can I do if I do not have an application form?
A — An application form is not necessary. You can send a letter or postcard asking for an absentee ballot. This letter or postcard should be sent to the Registrar of Voters, City Hall, San Francisco 94102.

Q — What do I say when I ask for an absentee ballot?
A — You must write:
• your home address
• the address where you want the ballot mailed,
• then sign your name, and also clearly print your name underneath.

Q — When do I mail my absentee ballot back to the Registrar of Voters?
A — You should mail your absentee ballot back to the Registrar of Voters as soon as possible. You must be sure your absentee ballot gets to the Registrar of Voters by 8 P.M. on election day, December 8, 1987.

IF YOU HAVE OTHER QUESTIONS CONCERNING VOTING CALL THE REGISTRAR OF VOTERS.
RIGHTS OF THE HANDICAPPED VOTER

The Registrar's staff and poll workers offer the following services to handicapped voters:

ASSISTANCE: Persons unable to mark their ballot may bring one or two persons with them into the voting booth to assist them. (Section 14234, Elections Code)

CURBSIDE VOTING: If architectural barriers prevent a handicapped voter from entering the polling place, then the voter will be allowed to vote a ballot on the sidewalk in front of the polling place. (Section 14234, Elections Code)

PERMANENT ABSENTEE BALLOTS: Voters with specified disabilities may apply to become Permanent Absentee Voters. Permanent Absentee Voters will automatically be mailed ballots at all future elections. (Section 1450, Elections Code)

PARKING: If your polling place is in a residential garage then elderly and handicapped voters may park in the driveway while voting, provided that this will not impede the flow of traffic.

T.D.D. (TELECOMMUNICATIONS DEVICE FOR THE DEAF): Hearing-impaired voters who have a TDD may communicate with the Registrar's office by calling 554-4386.

TAPE RECORDINGS: The San Francisco Public Library's Branch for the Blind at 3150 Sacramento Street produces and distributes tape recorded copies of the Voter Information Pamphlet for use by visually-impaired voters.

WHEELCHAIR ACCESSIBILITY: The address label on the back of this pamphlet will inform you if your polling place is accessible to persons in wheelchairs.

WORDS YOU NEED TO KNOW
by Ballot Simplification Committee

Here are a few of the words that you will need to know:

BALLOT—An official list of candidates and propositions.

ABSENTEE BALLOT—If you wish to vote by mail you can get a special ballot to fill out. This ballot is called an absentee ballot. You can get this ballot by writing to the Registrar of Voters at City Hall. Please refer to the insert card in the pamphlet.

VOTE BY MAIL—See Absentee Ballot, above.

PRECINCT—A small geographical area with a common polling place. The average precinct contains 550 voters and covers four square blocks.

POLLING PLACE—The place where you go to vote.

PROPOSITION—This means any issue that you vote on. If it deals with City & County government it will have a letter, such as Proposition A. If it deals with State government it will have a number, such as Proposition 1.

MEASURE—Another name for proposition, above.

CHALLENGE—Officers at the polls can challenge a voter for various reasons, such as living in a different precinct from the one in which he or she is voting.

SUPERVISORS—Elected members of the governing legislative body for the City and County of San Francisco.

MAYOR—The chief executive officer of the City and County of San Francisco.

ORDINANCE—A law of the city and county, which is passed by the Board of Supervisors or approved by the voters.

INITIATIVE—This is a way for voters to put a proposition on the ballot for people to vote on. An initiative is put on the ballot by getting a certain number of voters to sign a petition. Each initiative ordinance needs signatures from 7,332 qualified voters. An ordinance passed by the people cannot be changed again without another vote of the people, unless the initiative expressly gives the Board of Supervisors the power to change it. An initiative Charter amendment needs 22,663 signatures.

REFERENDUM—If a legislative body passes a law you don't agree with you can put that law on the ballot for people to vote on. This is done by getting enough voters to sign a petition asking that the new law be placed on the ballot. A referendum needs 14,664 signatures.

PETITION—A list of signatures of voters who agree that a certain law or question should be on the ballot.
Lease Referendum

PROPOSITION X

Shall the ordinance approving the lease of air rights over the Robert C. Levy tunnel to a nonprofit corporation to build housing for low-income elderly and handicapped persons be adopted?

YES ☑
NO ☑

Analysis
by Ballot Simplification Committee

THE WAY IT IS NOW: The Board of Supervisors passed and the Mayor signed Ordinance No. 332-87, which authorizes the City to enter into a lease with a nonprofit corporation to build housing for low-income elderly and handicapped persons and their families on top of the Robert C. Levy tunnel. Because a referendum petition was filed, this ordinance will not go into effect unless a majority of the voters approves it.

THE PROPOSAL: Proposition X is an ordinance which authorizes the City to enter into a lease with a nonprofit corporation to build housing for low-income elderly and handicapped persons and their families on top of the Robert C. Levy tunnel.

A YES VOTE MEANS: If you vote yes, you want the City to enter into a lease with a nonprofit corporation to build housing for low-income elderly and handicapped persons and their families on top of the Robert C. Levy tunnel.

A NO VOTE MEANS: If you vote no, you do not want the City to enter into a lease to build housing on top of the Robert C. Levy tunnel.

Controller’s Statement on "X"

City Controller John C. Farrell has issued the following statement on the fiscal impact of Proposition X:

"Should the proposed referendum ordinance be adopted, in my opinion, it would not affect the cost of government."

How Prop. X Got on the Ballot

On September 10 the Registrar of Voters certified that the referendum petition calling for a vote on the lease of air rights over the entrance of the Broadway Tunnel had qualified for the ballot.

Supporters of the petition had gathered 24,220 signatures which they turned in to the Board of Supervisors on September 2.

A random check of the signatures showed that 17,220 of the signatures were valid. This is more than the 14,663 signatures needed to place a referendum on the ballot.
ARGUMENT IN FAVOR OF PROPOSITION X

A yes vote on Proposition X means more affordable housing for senior and handicapped people living in San Francisco. The plans to build 70 affordable housing units over the air rights of the east portal of the Broadway Tunnel will implement a long-standing City policy to provide more affordable housing for our senior citizens and handicapped persons.

Many of our senior citizens now reside in hotel rooms without private baths or kitchens. These senior citizens with fixed incomes did not choose to live that way. They are victims of inflation and they deserve better living environments during the golden age of their lives.

The use of the air rights above the tunnel has been identified as an appropriate location for housing since 1971. The housing will be subsidized by a $2.7 million grant from the United States Department of Housing and Urban Development, $3.6 million for construction and approximately $24 million for future rent subsidy.

Using the air rights above the Broadway Tunnel for housing or for park use was debated extensively during more than ten public hearings before the Planning Commission, the Board of Supervisors, and the Board of Permit Appeals. Every aspect of this housing project has been examined in detail including the availability of an alternative site and the alternative use of the site as a park.

This public process resulted in an extremely well-designed project which will contain 70 affordable housing units at the site.

The final step in allowing new housing to be built on this site is execution of a lease between Pineview Housing Corporation, a non-profit organization, and the City. A YES vote on Proposition X will allow the construction of these units to proceed.

Everybody from the business community to neighborhood activists are behind this proposal.

We urge a yes vote on Proposition X.

SUBMITTED BY THE BOARD OF SUPERVISORS

ARGUMENT IN FAVOR OF PROPOSITION X

Proposition X will provide urgently needed housing — attractive, spacious and affordable — for elderly and disabled San Franciscans.

Proposition X will bring permits to those seeking better housing in the Chinatown/North Beach areas, and is a major component of efforts to build decent and affordable housing in San Francisco.

Proposition X will permit the construction of an attractive 70-unit building atop the Robert C. Levy (Broadway) Tunnel.

The sponsor of the project, Self-Help for the Elderly, already has obtained federal funding for the development, and it would be a shame to lose this valuable source of housing for seniors and the disabled. VOTE YES ON X.

The housing would allow seniors to live in dignity, with rents they could afford. Self-Help for the Elderly has worked with neighbors in the area for more than a year, reviewing and revising the building plans to assure sufficient parking and an attractive design.

Federal funds to build housing for seniors and disabled people have been sharply cut, so this is a rare opportunity for the City to add housing that serves a vital need.

This location will not displace any existing housing or businesses. San Francisco has very little land left for adding housing, so this use of air-rights over the tunnel would be an innovative way to address our housing shortage.

The group which opposes this much-needed housing has implied that a park would be built on the site, but, in fact, there are no resources for this plan. The only result of a "no" vote on this proposition would be to kill the chance for housing.

Widespread support among community agencies serving the elderly, and the unanimous approval of this project by the Board of Supervisors indicates the broad recognition that this housing is a high priority.

Help make more senior housing possible. Vote yes for Proposition X.

Dianne Feinstein, Mayor

ARGUMENT IN FAVOR OF PROPOSITION X

Since the adoption of Proposition J, the Recreation and Park Department has actively acquired additional park sites. In 1986, the Recreation and Park Commission designated for acquisition a site 2½ blocks from the Broadway Tunnel for a major park after looking at many alternative sites and the Board of Supervisors appropriated the money for its acquisition. The use of the air rights above the Broadway Tunnel for housing will balance the competing need for housing and open space in an area where both are badly needed.

PLEASE VOTE YES ON X.

Eugene L. Friend, President, Recreation and Park Commission
Keith G. Eickman, Recreation and Park Commissioner
Tommy Harris, Recreation and Park Commissioner
Amy Meyer, Recreation and Park Commissioner
Jeff Mori, Recreation and Park Commissioner
Fred A. Rodriguez, Recreation and Park Commissioner

Arguments printed on this page are the opinion of the authors and have not been checked for accuracy by any official agency.
Lease Referendum

ARGUMENT IN FAVOR OF PROPOSITION X

The proposed senior housing development above the Broadway Tunnel went through lengthy public hearings before the Planning Commission, the Board of Supervisors and the Board of Permit Appeals. Every aspect of the proposed development, from aesthetics, the visual impact on the Church of Our Lady of Guadalupe, the height and bulk, alternative uses of the site, and potential alternative sites for this development, was exhaustively reviewed.

One of the objectives of the Housing Element of the City’s Master Plan is to provide housing for persons with special needs, such as seniors and handicapped persons. As an implementation policy, the Housing Element encourages the aggressive pursuit and use of vacant and underused public land for the development of affordable housing.

The use of the air rights above the Broadway Tunnel for senior and handicapped housing implements this policy.

Vote YES on Proposition X.

Richard B. Allen, City Planning Commissioner
Sue Bieman, City Planning Commissioner
Bernice M. Hemphill, City Planning Commissioner
Douglas M. Wright, City Planning Commissioner

ARGUMENT IN FAVOR OF PROPOSITION X

The seniors and handicapped persons of San Francisco desperately need more affordable housing. The air rights above the east portal of the Broadway Tunnel is a suitable site for the development of housing for seniors. These housing units will be developed by a non-profit group and will add to our City’s affordable housing stock.

Please vote YES.

Supervisor John L. Molinari
Supervisor Doris M. Ward
Supervisor Jim Gonzalez
Richard Guggenheim, Fire Commissioner
Frank M. Jordan, Chief of Police
Yori Wada
Ina Dearman
John L. Burton
Sue C. Hestor

ARGUMENT IN FAVOR OF PROPOSITION X

The unused, vacant air space over the east portal of the Broadway Tunnel for the construction of 70 units of Senior Housing is proper use of the City’s surplus land and air rights. We support the development of affordable housing and a multi-purpose senior center on this site. The City must not be denied this badly needed development which will be subsidized by HUD.

YES ON X.

ARGUMENT IN FAVOR OF PROPOSITION X

As advocates for the construction of more affordable housing for San Franciscans, we urge a YES VOTE of the leasing of the air rights above the Broadway Tunnel to a non-profit group for the development of housing. With HUD subsidies for much of our senior housing coming to an end in the next five years, we cannot afford to lose $27.6 million dollars of new HUD funding for this senior housing development.

ARGUMENT IN FAVOR OF PROPOSITION X

As San Franciscans who actively work toward the acquisition and development of more public open space and parks, we urge a YES VOTE on X. Opponents of this proposition want a park over the Broadway Tunnel. Both affordable housing and open space are needed in the City. The City recently decided to acquire a park site only 2½ blocks away. The ultimate use of each site suitable for housing or open space must be judged on a case-by-case basis. In this case, HUD funding is available for the development of housing on this site. There is no money for the development of the site for a park now. Therefore, on balance, we support this badly needed housing on this site.

ARGUMENT IN FAVOR OF PROPOSITION X

"... The poor must be speedily and fittingly cared for since the majority of them live undeservedly in misery and wretched conditions"

Pope Leo XIII

The Roman Catholic Church believes providing shelter for needy seniors is an important part of its pastoral work. This teaching of the Church was reaffirmed by Pope John Paul II in his recent California visit.

ARGUMENT IN FAVOR OF PROPOSITION X

We are housing professionals, involved in making sure that San Franciscans have decent, affordable housing. We work in every part of the City, from Hunters Point to North Beach. We know first hand about overcrowding and overpaying and the terrible conditions in which San Franciscans, young and old, must live. It's terrible to see elders forced to live in crowded, dangerous conditions, and paying half of their incomes in rent.

The proposed Pineview Project will do much to improve the lives of those elderly San Franciscans fortunate to obtain housing there. They will be assured of decent, pleasant housing, forever affordable. Elders like these come from every neighborhood in the City and housing like Pineview is needed in every neighborhood in the City.

Subsidies like those set aside for Pineview have been killed by the Reagan administration. That makes this opportunity even more important. Let's not turn our backs on the poor and the old.

ARGUMENT IN FAVOR OF PROPOSITION X

As providers of services to seniors, we strongly support the leasing of the air rights over the Broadway Tunnel for the development of housing and a multi-service center for seniors. Many of this City's homeless are seniors or disabled persons. The provision of decent shelter is a top priority for this City. Therefore, the use of this site for housing instead of open space is proper and appropriate. YES ON X.

ARGUMENT AGAINST PROPOSITION X

Long-standing plans to locate a new public park (with public parking underneath) above the Broadway Tunnel are threatened by this ordinance to lease this city-owned public right of way for $1 a year to Pineview Housing Corporation for construction of a 70 unit, 6 story apartment building.

Despite an appeal signed by some 70% of the area’s resident property owners, and objections filed by the North Beach and Russian Hill neighborhood organizations, politicians backing this building project have rammed through City Hall a rezoning of the site from moderate to high density, a special exception to the neighborhood’s 40 foot residential height limit, an acceptance of only 1 parking space for every 5 units, and permission to construct a building in the middle of a public right-of-way.

This building will wall off the beautiful and historic Our Lady of Guadalupe Church, converting the broad, open space now in front of the church to a narrow, sunless alley.

Neighbors and church parishioners, while strenuously objecting to the building’s proposed site, have sympathized with its purpose (senior housing), and so have developed architectural and feasibility studies for four alternative sites for the building, and even secured and made available to Pineview options on two of these sites.

Help us preserve this last opportunity to create a sizeable new public park serving Russian Hill, Chinatown, Nob Hill and North Beach communities. Your NO vote on Proposition X will help encourage city leaders to seriously pursue an alternative site for the Pineview Project.

FOR THE BROADWAY TUNNEL PARK COMMITTEE
Rose Chin
Steve Kendrick

ARGUMENT AGAINST PROPOSITION X

The Broadway Tunnel site was selected for the Pineview Project in great haste after Chinatown’s controversial Orangeland Project (of which Pineview was originally a part) was defeated.

To clear the way, the Recreation and Parks Department was ordered to abandon a feasibility study already underway for creation of a new public park above the Broadway Tunnel.

Neighbors and Guadalupe Church parishioners in large numbers immediately joined together to save the Broadway Tunnel Park, carrying forward with the development of detailed plans for a six-tiered park with grassy open areas, play structures and swings for children, a bocce ball court, a platform for practicing tai chi, a flower garden, tables for picnicking or games, as well as an area at the top with benches where citizens, including our elderly, can sit and enjoy the view of the Bay.

The park’s design includes a public parking garage underneath to help alleviate the area’s chronic parking shortage.

The majority of the cost of constructing the park and parking garage underneath would be paid by revenues from the parking garage. The Broadway Tunnel Park Committee has put together a program to raise the remainder of the funds required from private donations. Thus both the public park and the public parking garage will be created at NO EXPENSE TO THE CITY.

Privately, many officials in City government recognize and admit that surrendering this irreplaceable park site to the construction of a six-story building in the middle of the public right-of-way would be an urban planning disaster. Yet those officials do not wish to commit political suicide by risking offense to San Francisco’s powerful and well-organized housing lobby. Your NO vote will encourage City leaders to respond to reason rather than to political pressure. Your NO vote will provide City leaders with the opportunity to put forth a more sensible plan which can provide San Francisco both a new public park and increased public parking above the Broadway Tunnel as well as a more appropriately sited housing project.

FOR THE BROADWAY TUNNEL PARK COMMITTEE
Rose Chin
Steve Kendrick

ARGUMENT AGAINST PROPOSITION X

WHY DESTROY AN HISTORICAL CALIFORNIA LANDMARK???

The controversial Broadway Tunnel housing project will do more than wreck the North Beach skyline and increase the already outrageous parking problems of this already densely populated area of San Francisco.

Local historians and the neighbors of the proposed housing development particularly hate the fact that the project will obsecure the Hispanic Community’s beautiful Guadalupe Church, a jewel-like California historical site of great importance.

Robert Silvestri, 1974-1984 Technical Consultant, Historical Properties Department, California Historical Society
Terence Faulkner, San Francisco Republican Party Chairman
Arlo Hale Smith, BART Director
Tom Spinosa, Accounting Consultant

Arguments printed on this page are the opinion of the authors and have not been checked for accuracy by any official agency.
ARGUMENT AGAINST PROPOSITION X

Citizens upset with the City's sudden change of plans, turning over the public property atop the Broadway Tunnel to private development of senior housing rather than a public park, have been told by politicians backing Pineview that the neighborhood's longstanding need for additional recreation and open space would be "satisfied" by a plan to instead condemn by eminent domain the Cathay Mortuary on Powell Street. Any park, however, which might eventually be created on this small parcel on Powell Street would be only one third the size of the planned Broadway Tunnel Park and would not begin to fill the need for increased open space and recreational facilities in this most congested sector of the City.

Furthermore, it is unclear whether the City will succeed in its attempt to seize the Cathay Mortuary, since the family which has owned and operated the mortuary and provided traditional Chinese funeral services for forty years is fighting in the courts to save their family business. It is possible that the City may be blocked or that the acquisition cost set by the court may become prohibitive. If this ultimately happens, while in the meantime the City has given away to Pineview the Broadway Tunnel Park site (which, unlike the Cathay site, is three times as large, is already City-owned and is already vacant) then Chinatown, Russian Hill, North Beach and Nob Hill — the densest sector of the City — will have permanently lost any chance to create additional park space, so badly needed to keep San Francisco livable for families, children and the elderly. Please help us preserve our neighborhoods' last opportunity to create a sizable new park. Please vote NO on Proposition X.

Calvin Li

TEXT OF PROPOSED ORDINANCE PROPOSITION X

AUTHORIZING EXECUTION OF A 75 YEAR AGREEMENT FOR LEASING AIR RIGHTS AND GRANTING EASEMENTS OVER THE ROBERT C. LEVY TUNNEL AND LOT 42, WITH OPTION TO PURCHASE, BETWEEN CITY AND COUNTY OF SAN FRANCISCO, A MUNICIPAL CORPORATION, AS LESSOR, AND PINEVILLE HOUSING CORPORATION, A CALIFORNIA NONPROFIT CORPORATION, AS LESSEE, FOR PURPOSES OF CONSTRUCTING LOW-INCOME ELDERLY AND HANDICAPPED FAMILY RENTAL HOUSING. BE IT ORDAINED, by the People of the City and County of San Francisco, Section 1. The City and County of San Francisco owns air rights over the east portal of the Robert C. Levy Tunnel (the Housing Site) more particularly described in Exhibit A to the Agreement for Leasing of Air Rights and Granting Easements on title and incorporated herein (Agreement). The City and County of San Francisco also owns Lot 42 in Atwood's Block 158 located directly to the south of the Housing Site and more particularly described in Exhibit B to the Agreement and incorporated herein. (Lot 42)

Section 2. Pineview Housing Corporation, a non-profit corporation formed by Self-Help for the Elderly, Inc. proposes that the City and County of San Francisco lease lot to the housing site, grant to it certain easements over Lot 42 (more particularly described in Exhibit B to the Agreement and incorporated herein), and grant to it certain easements through the east portal of the Robert C. Levy Tunnel (more particularly described in Exhibit E to the Agreement and incorporated herein) to be developed by Pineview Housing Corporation for Low-income and Elderly and Handicapped Family rental housing and a multi-purpose senior center with financing assistance from the United States Department of Housing and Urban Development (HUD).

Section 3. On May 26, 1987, the Board of Supervisors, by Resolution No. 392-87, adopted the final Environmental Impact Report for the project, finding and determining that reclassification of the property from RM-2 to RM-4 and construction of the project would have a significant impact on the environment.

Section 4. The City and County of San Francisco has approved a rezoning of the site from RM-2 to RM-4 and a conditional use permit authorizing a structure exceeding thirty feet in height in a residential district and a multi-purpose Senior Center in an RM-2 district proposed for an RM-4 district.

Section 5. The Planning Commission of the City and County of San Francisco has reported the project to be in conformity with the Master Plan.

Section 6. On March 6, 1987, the Board of Supervisors by Motion, made findings that the conditional use of the Housing Site is consistent with the Priority Policies set forth in Section 101.1 of the San Francisco City Planning Code. In addition, on June 1, 1987, the Board of Supervisors, by Ordinance No. 207-87, confirmed with the determination of the City Planning Commission that the reclassification of the Housing Site is consistent with the Priority Policies set forth in Section 101.1 of the San Francisco City Planning Code. In adopting this Ordinance the Board of Supervisors hereby incorporates those findings herein.

Section 7. An appraisal prepared by the Department of Real Estate provides that the special costs required to develop the air rights for the proposed development of Low-income Elderly and Handicapped Family rental housing exceed the value a willing buyer would pay for a site to build the proposed development.

Section 8. On June 8, 1987, the Board of Supervisors, by Resolution No. 428-87, has authorized negotiation for the lease and sale of air rights and easements over the Robert C. Levy Tunnel and for easements over Lot 42 to facilitate the development of the Pineview Housing Corporation project.

Section 9. Notwithstanding Ordinance No. 412-59 providing that lenses of surplus property shall not exceed a term of 50 years, this Agreement for Leasing of Air Rights and Granting of Easements, between the City and County of San Francisco, a municipal corporation, as Lessee, and Pineview Housing Corporation, as Lessor, and any amendments thereto, is hereby approved for a term of 75 years.

Section 10. The Board hereby finds the execution of the 75 year Agreement for Leasing of Air Rights and Granting of Easements above and through the Robert C. Levy Tunnel and Lot 42 between the City and County of San Francisco, as Lessor, and the Pineview Housing Corporation, as Lessee, a copy of which is on file with the Clerk of this Board, and the lease of said air rights and granting of easements to the Pineview Housing Corporation, for $1.00 per year for development in accordance with said Agreement is for a public purpose and will promote the general welfare of the community.

Section 11. The Mayor is hereby authorized and directed to execute said Agreement for Leasing Air Rights and Granting Easements and such other agreements as may be required for the development of the project.

Section 12. The Mayor is hereby authorized to execute any amendments necessary to said Agreement in consultation with the City Attorney.

Section 13. In accordance with the form of lease to this Agreement, a copy of which is on file with the Clerk of this Board, HUD will have an option to purchase the housing site.

Section 14. In accordance with said Agreement, the Mayor is hereby authorized and directed to execute, and the Director of Property shall deliver the Agreement for Leasing Air Rights and Granting Easements to the Pineview Housing Corporation for the parcels described in Exhibit A to the Agreement.

The agreement described in the ordinance's title and referred to in the ordinance is on file with the clerk of the Board of Supervisors.
POLL WORKERS NEEDED

Earn $49 to $58 (plus bonuses)!
Meet Your Neighbors!
Serve Your Community!

There is a shortage of poll workers in most San Francisco neighborhoods. Voters who are interested in this important work are encouraged to apply as soon as possible at the Registrar’s Office at City Hall. If you apply while there is still a large selection of vacancies, it is probable that you will be assigned to a poll in your own neighborhood.

The Registrar is trying to build a permanent corps of polling officials, therefore housewives and retired people, as well as others who are interested in community service are particularly urged to apply.

The higher-paying and more responsible positions will be reserved for persons who apply in person. Others may mail in the application form provided below:

(The workday is from 6:30 a.m. to about 8:30 p.m., with breaks for lunch and dinner.)

APPLICATION TO SERVE AS ELECTION OFFICIAL

I want to work at the polls on Tuesday, Election Day. Please assign me to a polling place.
