For Supervisor

WILLIAM C. BLAKE

I hereby declare myself a candidate for the office of Supervisor for the City and County of San Francisco, State of California, to be voted for at the General Municipal Election to be held in the said City and County on November 2, 1965, and declare the following to be true:

That I shall have been a resident of the City and County of San Francisco for a period of at least five years and an elector thereof for a period of at least one year immediately prior to the time for taking such office: That my name is William C. Blake. My residence address is at No. 264 Mallorca Way, San Francisco; My business or occupation is Ship Repairing.

My qualifications for said office are as follows: I was born in San Francisco 45 years ago. I am married and have two children attending local schools. I operate a ship repair company here. I have served on the Board of Supervisors for ten years. I am a Captain in the U.S. Naval Reserve and a World War II veteran. I believe San Francisco demands strong, honest, independent leadership. I have sought to bring sanity to freeway planning in San Francisco. I was the only Supervisor to vote against this year's exorbitant 10 per cent property tax increase.

Pursuant to the provisions of Section 175 of Charter of said City and County, I desire that the following designation “Incumbent” be placed immediately under my name as it will appear on all ballots at the General Municipal Election to be held November 2, 1965.

Signature of Candidate: WILLIAM C. BLAKE.

Subscribed before me and filed this 14th day of September, 1965.

ROGER BOAS

I hereby declare myself a candidate for the office of Supervisor for the City and County of San Francisco, State of California, to be voted for at the General Municipal Election to be held in the said City and County on November 2, 1965, and declare the following to be true:

That I shall have been a resident of the City and County of San Francisco for a period of at least five years and an elector thereof for a period of at least one year immediately prior to the time for taking such office; That my name is Roger Boas. My residence address is at No. 3329 Washington Street, San Francisco; My business or occupation is Businessman.

My qualifications for said office are as follows: As an incumbent Supervisor since 1961, I have endeavored to preserve the world-renowned beauty and culture of San Francisco; to attract new business enterprises, job opportunities and tourism; and to maintain the safety and moral values of our neighborhoods. I was elected to the Board with bi-partisan endorsement from numerous business, labor and community organizations. Born, raised and educated in San Francisco, I am a combat veteran of World War II. I am married and have three children. As Chairman of the Supervisors' Committee on Planning and Development, I have consistently advocated major economic revitalization of the South of Market district.

Pursuant to the provisions of Section 175 of Charter of said City and County, I desire that the following designation “Incumbent” be placed immediately under my name as it will appear on all ballots at the General Municipal Election to be held November 2, 1965.

Signature of Candidate: ROGER BOAS.

My residence address is at No. 65 - 6th Ave., San Francisco; My business or occupation is Businessman.

My qualifications for said office are as follows: A family man, I want a business administration that will reduce our already high taxes. I want safety on our streets and will support all law enforcement officers to the fullest extent. I will work for an ordinance that we homeowners may improve our property to $500.00 without high inspection fees or the assessment raised. I am a Veteran and will support all Veterans rights. I am active in betterment of our youth and for many years have supported Police Athletic Leagues and have sponsored teams in baseball, football and bowling. Home districts must have more representation in City Hall.

For Supervisor

DONALD MORGAN

I hereby declare myself a candidate for the office of Supervisor for the City and County of San Francisco, State of California, to be voted for at the General Municipal Election to be held in the said City and County on November 2, 1965, and declare the following to be true:

That I shall have been a resident of the City and County of San Francisco for a period of at least five years and an elector thereof for a period of at least one year immediately prior to the time for taking such office: That my name is Donald Morgan. My residence address is at No. 657 - 14th Ave., San Francisco; My business or occupation is Businessman.

My qualifications for said office are as follows: I have lived in San Francisco since 1943. I have been active in San Francisco business both as an employee and employer. I am a withdrawn member of I.L.W.U. #6, I.B.E.W., and Auto Salesmans Local 960. I have been active in San Francisco affairs both Civic and Political and am running for this office simply because the jobs which need to be done are not being done by the incumbents. The need for intelligent and imaginative efforts to solve our many pressing problems from race relations to unfair property taxation and transportation is too great to be left in incompetent, uncaring hands. I propose to represent the interests of the people.

Pursuant to the provisions of Section 175 of Charter of said City and County, I desire that the following designation “Businessman” be placed immediately under my name as it will appear on all ballots at the General Municipal Election to be held November 2, 1965.

My residence address is at No. 2590 Greenwich Street, San Francisco; My business or occupation is Journalist.

My qualifications for said office are as follows: In my four years of membership on the San Francisco Board of Supervisors I have given fair and equal treatment to all persons, maintained independence of judgment, and served no special interest. I am Chairman of the Finance Committee of the Board. My experience with government includes ten years as a San Francisco newspaper reporter covering city and state offices. I pledge further action in protecting the beauty, character, and tradition of San Francisco and at the same time moving our government ahead to meet the critical issues of transportation, housing, human rights, job opportunities, and better planning for our neighborhoods.

Pursuant to the provisos of Section 175 of Charter of said City and County, I desire that the following designation "Incumbent" be placed immediately under my name as it will appear on all ballots at the General Municipal Election to be held November 2, 1965.

For Supervisor

KEVIN O'SHEA

I hereby declare myself a candidate for the office of Supervisor for the City and County of San Francisco, State of California, to be voted for at the General Municipal Election to be held in the said City and County on November 2, 1965, and declare the following to be true:

That I shall have been a resident of the City and County of San Francisco for a period of at least five years and an elector thereof for a period of at least one year immediately prior to the time for taking such office; That my name is Kevin O'Shea. My residence address is at No. 46 Allston Way, San Francisco; My business or occupation is Businessman.

My qualifications for said office are as follows: I was born in San Francisco, received my education here, served my country in World War II then graduated from the University of Notre Dame. After some years in professional sports as player and business manager, achieved a business career as insurance broker. The challenges of change facing San Francisco are primarily economic. They demand positive, dedicated, aggressive action to reverse declining industrial employment pattern, and provide practical advances in job opportunity, education, social adjustment, housing, problems of the aged, public safety, transportation and business-like Charter revision; for which my public service as President of the Board of Permit Appeals and business career have prepared me.

Pursuant to the provisions of Section 175 of Charter of said City and County, I desire that the following designation "Businessman" be placed immediately under my name as it will appear on all ballots at the General Municipal Election to be held November 2, 1965.

Signature of Candidate: KEVIN O'SHEA.

For Supervisor

AL J. QUINN

I hereby declare myself a candidate for the office of Supervisor for the City and County of San Francisco, State of California, to be voted for at the General Municipal Election to be held in the said City and County on November 2, 1965, and declare the following to be true:

That I shall have been a resident of the City and County of San Francisco for a period of at least five years and an elector thereof for a period of at least one year immediately prior to the time for taking such office: That my name is Al. J. Quinn. My residence address is at No. 32 Hidalgo Terrace, San Francisco; My business or occupation is Public Accountant & Notary Public.

My qualifications for said office are as follows: I was a law clerk (4 years) in office of Charles Evans Hughes, Chief Justice, U. S. Supreme Court, who was a partner in the firms of Carter, Hughes & Dwight & Hughes, Rounds & Schuman, 6 Wall St., New York. Printing shop proprietor and manufacturer, 128 Halleck St., and creator and developer of Telephone Secretarial Services, for the Medical-Dental Professions, as they are now operated—37 years ago. Resided most of my adult life South of Market & Mission Districts. Want lower and balanced budget and lower tax rate, than the current rate of $10.17, which is too high, and 5c bus and car fare for senior citizens with free transfer. Affiliation: Elks, Moose and South of Market Boys.

Pursuant to the provisions of Section 175 of Charter of said City and County, I desire that the following designation "Public Accountant" be placed immediately under my name as it will appear on all ballots at the General Municipal Election to be held November 2, 1965.

Signature of Candidate: AL. J. QUINN.

For Supervisor

RICHARD D.RIEMANN

I hereby declare myself a candidate for the office of Supervisor for the City and County of San Francisco, State of California, to be voted for at the General Municipal Election to be held in the said City and County on November 2, 1965, and declare the following to be true:

That I shall have been a resident of the City and County of San Francisco for a period of at least five years and an elector thereof for a period of at least one year immediately prior to the time for taking such office: That my name is Richard D. Riemann. My residence address is at No. 1732 Gough Street, San Francisco; My business or occupation is Teacher.

My qualifications for said office are as follows: If elected, I’ll resign. Nobody has right “representing” some at coerced expense of others. Government forces retaliation—rarely protects (why crime?!)—at governopoly prices extorted from freemen. Know-it-all pressure groups connive evermore to manipulate peace-loving individuals. Only free markets afford free exercise of equally absolute rights to life’s sustenance by property use and disposal (ownership). Private enterprise built “Golden Gate”—and serves life with goods guaranteeing all pursuits of happiness. Man’s welfare equals natural resources plus human energy multiplied by tool efficiency. Progress depends upon investment-inspired profits. Down with government-initiated restrictions, destruction, and tyranny. Up with free trade between freemen!

Pursuant to the provisions of Section 175 of Charter of said City and County, I desire that the following designation “Teacher” be placed immediately under my name as it will appear on all ballots at the General Municipal Election to be held November 2, 1965.

Signature of Candidate: RICHARD D. RIEMANN.

E. ROBERT SCROFANI

I hereby declare myself a candidate for the office of Supervisor for the City and County of San Francisco, State of California, to be voted for at the General Municipal Election to be held in the said City and County on November 2, 1965, and declare the following to be true:

That I shall have been a resident of the City and County of San Francisco for a period of at least five years and an elector thereof for a period of at least one year immediately prior to the time for taking such office: That my name is E. Robert Scrofani. My residence address is at No. 501 Duncan Street, San Francisco; My business or occupation is Teacher.

My qualifications for said office are as follows: I believe the "times demand more than a casual observer." In my own neighborhood, in the Mission and citywide, I have worked diligently for a more direct citizen's role in government. For these activities, the daily newspaper editors named me 1963 "Man of the Year" for outstanding community service. I will work for: (1) A sane tax policy which encourages home repairs and improvements and does not penalize business inventories. (2) Quality education for all children. (3) A coordinated transportation plan which preserves San Francisco's beauty. (4) More jobs and job training. (5) Improved housing. I am a Fordham University graduate and a Korean War veteran.

Pursuant to the provisions of Section 175 of Charter of said City and County, I desire that the following designation "Teacher" be placed immediately under my name as it will appear on all ballots at the General Municipal Election to be held November 2, 1965:

DOROTHY SHINDER

I hereby declare myself a candidate for the office of Supervisor for the City and County of San Francisco, State of California, to be voted for at the General Municipal Election to be held in the said City and County on November 2, 1965, and declare the following to be true:

That I shall have been a resident of the City and County of San Francisco for a period of at least five years and an elector thereof for a period of at least one year immediately prior to the time for taking such office; That my name is Dorothy Shinder. My residence address is at No. 1692-A Green Street, San Francisco; My business or occupation is Tax Reform Lobbyist.

My qualifications for said office are as follows: As special investigator (jeopardizing civil service employment) I demanded investigation of Board of Supervisors and grand jury investigation, forwarding reports to President Johnson and Governor Brown, pleading for help. Shortly afterwards San Francisco investigated. Offered files to Senate Rackets Committee and District Attorney Ferdon. Brought misleading ballot to court, it insures appointed incumbents’ re-election. Write and speak fearlessly about San Francisco corruption. Believe in fair taxation with representation for everyone, including single persons. 20 years San Francisco resident; University of Minnesota, San Francisco State College; 10 years San Francisco legal experience. President, National Tax Reform Lobby, Volunteer Protective Agency, research, writer, lecturer.

Pursuant to the provisions of Section 175 of Charter of said City and County, I desire that the following designation “Tax Reform Lobbyist” be placed immediately under my name as it will appear on all ballots at the General Municipal Election to be held November 2, 1965.

JOHN J. GOODWIN

I hereby declare myself a candidate for the office of Treasurer for the City and County of San Francisco, State of California, to be voted for at the General Municipal Election to be held in the said City and County on November 2, 1965, and declare the following to be true:

That I shall have been a resident of the City and County of San Francisco for a period of at least five years and an elector thereof for a period of at least one year immediately prior to the time for taking such office; That my name is John J. Goodwin. My residence address is at No. 426 Jersey Street, San Francisco; My business or occupation is Treasurer—City & County of San Francisco.

My qualifications for said office are as follows: I am thoroughly familiar with all departments of the office of City and County Treasurer, having entered the department as a clerk, and through successful passage of civil service examinations, achieved the position of Chief Deputy Treasurer. During my incumbency as Treasurer, the office has been on a self-supporting basis, requiring no support from taxes. If retained I shall continue to devote my efforts to the maintenance of an efficient and well operated office.

Pursuant to the provisions of Section 175 of Charter of said City and County, I desire that the following designation "Incumbent" be placed immediately under my name as it will appear on all ballots at the General Municipal Election to be held November 2, 1965.

ORDINANCE CALLING SPECIAL BOND ELECTIONS
(PROPOSITIONS A & B)

FILE NO. 277-65-2

ORDINANCE NO. 229-65

CALLING AND PROVIDING FOR A SPECIAL ELECTION TO BE HELD
IN THE CITY AND COUNTY OF SAN FRANCISCO ON TUESDAY,
NOVEMBER 2, 1965, FOR THE PURPOSE OF SUBMITTING TO THE
VOTERS OF THE CITY AND COUNTY OF SAN FRANCISCO PROPO-
SIONS TO INCUR BONDED DEBTS OF THE CITY AND COUNTY
FOR THE ACQUISITION, CONSTRUCTION OR COMPLETION BY
THE CITY AND COUNTY OF SAN FRANCISCO OF THE FOLLOW-
ING MUNICIPAL IMPROVEMENTS, TO WIT: $33,670,000 SAN
FRANCISCO MEDICAL CENTER; $29,000,000 WAR MEMORIAL
CENTER; AND THAT THE ESTIMATED COST TO THE CITY AND
COUNTY OF SAID MUNICIPAL IMPROVEMENTS IS AND WILL
BE TOO GREAT TO BE PAID OUT OF THE ORDINARY ANNUAL IN-
COME AND REVENUE OF THE CITY AND COUNTY AND WILL
REQUIRE EXPENDITURES GREATER THAN THE AMOUNTS AL-
LOWED THEREFOR BY THE ANNUAL TAX LEVY; ALL IN ORDER
TO DO AND PERFORM ANY AND ALL OF THE MATTERS HERE-
INABOVE REFERRED TO; FIXING RATE OF INTEREST OF SAID
BONDS AND PROVIDING FOR THE LEVY AND COLLECTION OF
TAXES TO PAY BOTH PRINCIPAL AND INTEREST THEREOF,
PRESCRIBING NOTICE TO BE GIVEN OF SUCH ELECTION AND
CONSOLIDATING THE SPECIAL ELECTION WITH THE GENERAL
MUNICIPAL ELECTION.

Be it ordained by the People of the City and County of San Francisco:
Section 1. A special election is hereby called and ordered to be held in
the City and County of San Francisco on Tuesday, the 2nd day of November,
1965, for the purpose of submitting to the electors of said city and county
propositions to incur bonded indebtedness of the City and County of San
Francisco for the acquisition, construction or completion by the city and
county of the hereinafter described municipal improvements in the amounts
and for the purposes stated:

(a) MEDICAL CENTER BONDS, 1965.
$33,670,000 to pay the cost of a San Francisco Medical Center, including
additions to the county hospital, buildings, x-ray and laboratory apparatus,
and clinic facilities and equipment, to provide for the diagnosis, care and
treatment of disease and injury, including maternity care, nursing and re-
search facilities, together with all other works, property or structures neces-
sary or convenient for the San Francisco Medical Center for the protection
of the public health.

(b) WAR MEMORIAL CENTER BONDS, 1965.
$29,000,000 to pay the cost of improvement of the War Memorial Center
of the City and County of San Francisco, including lands, buildings, additions
to, remodeling of, and improvement and reconstruction of, the existing War
Memorial Center for the benefit of war veterans and for public educational,
cultural, recreational, entertainment and other municipal purposes, together
with all other works, property or structures necessary or convenient for the
improvement of the War Memorial Center of the City and County of San
Francisco.

Section 2. The estimated costs of the municipal improvements de-
scribed in Section 1 hereof were fixed by the Board of Supervisors by the
following resolutions and in the amounts specified:

33
Medical Center Bonds, Resolution No. 467-65—$33,670,000; War Memorial Center Bonds, Resolution No. 468-65—$29,000,000.

That each of said resolutions was passed by two-thirds or more of the Board of Supervisors and approved by the Mayor, and in each of said resolutions it was recited and found that the sums of money specified were too great to be paid out of the ordinary annual income and revenue of the city and county in addition to the other annual expenses thereof or other funds derived from taxes levied for those purposes and will require expenditures greater than the amounts allowed therefor by the annual tax levy.

The method and manner of payment of the estimated costs of the municipal improvements described herein are by the issuance of bonds of the City and County of San Francisco in the principal amounts specified.

Said estimates of cost as set forth in said resolutions, and each thereof, are hereby adopted and determined to be the estimated costs of said improvements, and each thereof.

Section 3. The special election hereby called and ordered to be held shall be held and conducted and the votes thereat received and canvassed, and the returns thereof made and the results thereof ascertained, determined and declared as herein provided and in all particulars not herein recited said election shall be held according to the laws of the State of California providing for and governing elections in the City and County of San Francisco, and the polls for such election shall be and remain open during the time required by said laws.

Section 4. The said special election hereby called shall be and hereby is consolidated with the General Municipal Election to be held Tuesday, November 2, 1965, and the voting precincts, polling places and officers of said election for said General Municipal Election be and the same are hereby adopted, established, designated and named, respectively, as the voting precincts, polling places and officers of election for such special election hereby called, and as specifically set forth, in the official publication, by the Registrar of Voters of precincts, polling places and election officers for the said General Municipal Election.

The ballots to be used at said special election shall be the ballots to be used at said General Municipal Election and reference is hereby made to the notice of election setting forth the voting precincts, polling places and officers of election by the Registrar of Voters for the General Municipal Election to be published in the San Francisco Examiner on or about October 11, 1965.

Section 5. On the ballots to be used at such special election and on the voting machines used at said special election, in addition to any other matter required by law to be printed thereon, shall appear thereon the following, each to be separately stated, and appear upon the ballots as separate propositions:

(a) "Medical Center Bonds, 1965. To incur a bonded indebtedness in the sum of $33,670,000 to pay the cost of constructing and equipping a Medical Center for the City and County of San Francisco."

(b) "War Memorial Center Bonds, 1965. To incur a bonded indebtedness in the sum of $29,000,000 for additions to and improvement of the War Memorial Center of the City and County of San Francisco."

To vote for any proposition where ballots are used, and to incur the bonded indebtedness to the amount of and for the purposes stated herein, stamp a cross (x) in the blank space to the right of the word "Yes." To vote against any proposition and thereby refuse to authorize the incurring of a bonded indebtedness to the amount of and for the purposes stated herein, stamp a cross (x) in the blank space to the right of the word "No."
Where voting machines are used at said special election said voting machines shall be so arranged that any qualified elector may vote for any proposition by pulling down a lever over the word "Yes" under or near a statement of the proposed proposition appearing on cardboard, paper or other material placed on the front of the machine, and said act shall constitute a vote for the proposition, and by pulling down a lever over the word "No" under or near a statement of the proposed proposition appearing on cardboard, paper or other material placed on the front of the machine, shall constitute a vote against the proposition. Said voting machines and the preparation of the same shall comply in all respects with the provisions of law.

Section 6. If at such special election it shall appear that two-thirds of all the voters voting on any proposition voted in favor of and authorized the incurring of a bonded indebtedness for the purposes set forth in said proposition, then such proposition shall have been accepted by the electors, and bonds shall be issued to Jefray the cost of the municipal improvements described herein. Such bonds shall be of the form and character known as "serials," and shall bear interest at a rate not to exceed 6 per centum per annum, payable semi-annually.

The votes cast for and against each of said respective propositions shall be counted separately and when two-thirds of the qualified electors, voting on any one of such propositions, vote in favor thereof, such proposition shall be deemed adopted.

Section 7. For the purpose of paying the principal and interest on said bonds, the Board of Supervisors shall, at the time of fixing the general tax levy and in the manner for such general tax levy provided, levy and collect annually each year until such bonds are paid, or until there is a sum in the Treasury of said city and county set apart for that purpose to meet all sums coming due for the principal and interest on said bonds, a tax sufficient to pay the annual interest on such bonds as the same becomes due and also such part of the principal thereof as shall become due before the proceeds of a tax levied at the time for making the next general tax levy can be made available for the payment of such principal.

Section 8. This ordinance shall be published once a day for at least seven (7) days in the San Francisco Examiner, a newspaper published daily in the City and County of San Francisco, being the official newspaper of said city and county and such publication shall constitute notice of said election and no other notice of the election hereby called need be given.

Approved as to form:

THOMAS M. O'CONNOR,
City Attorney

Ayes: Supervisors Blake, Boas, Casey, Ertola, Francois, McCarthy, McMahon, Morrison, Moscone, Tamaras, Tinney.

ROBERT J. DOLAN, Clerk

Ayes: Supervisors Blake, Boas, Casey, Ertola, Francois, McCarthy, McMahon, Morrison, Tamaras, Tinney.

I hereby certify that the foregoing ordinance was finally passed by the Board of Supervisors of the City and County of San Francisco.

ROBERT J. DOLAN, Clerk

JOHN F. SHELLEY, Mayor
Medical Center Bonds, 1965. To incur a bonded indebtedness in the sum of $33,670,000 to pay the cost of constructing and equipping a Medical Center for the City and County of San Francisco.

ARGUMENT FOR PROPOSITION A

Our City Hospital is the first Order of business on your November ballot. Vote YES on Proposition A.

When you vote YES on Proposition A, you are authorizing the construction of a modern, centralized, efficient building at San Francisco General Hospital, to replace the obsolete, widely scattered group of structures that are there now.

Your YES vote on Proposition A will replace the Hospital with a new building, which will be designed to take full advantage of the tremendous strides that medicine has made since that time.

Vote YES on Proposition A ... for the Hospital.

Your YES vote on A will prevent San Francisco General Hospital from losing its accreditation for teaching purposes. If we lose the accreditation, the interns and resident doctors would have to be replaced by physicians at much higher salaries.

Your YES vote on Proposition A will keep San Francisco General Hospital from losing its license because the buildings do not meet the hospital standards of the State of California. Loss of the license would mean that the essential community medical services provided by the Hospital—services that the City must continue to provide—would have to be bought from other sources (if they could be found)—at considerably greater cost.

Vote YES on Proposition A ... for the Hospital ... the first item on your ballot.

Your YES vote on Proposition A will entitle San Francisco General Hospital to receive State and Federal grants for construction.

The money from these State and Federal grants, conservatively estimated, could be $12 million, and might be as high as $15 or $16 million. This money would go to reduce the cost to the City of the new building. Thus, Proposition A authorizes $33,670,000 worth of bonds—but only about $20 million of that amount may have to be actually sold.

An additional loss to the City, if we lose our license, is the nearly two million dollars a year we now receive from State and Federal contributions towards medical care.

We must maintain the Hospital at licensing standards. Proposition A, the result of four years’ expert planning, is the most efficient—and the most economical—way to do it. That’s why, however you look at it, your YES vote on A is a real Taxpayer’s Bargain.

Vote YES on A ... for a modern Hospital.

Your YES vote on Proposition A will give San Francisco a MODERN Hospital. Over the years we have remodeled; we have patched up; we have tried to make these old buildings meet today’s medical requirements. Now we are at the end of the makeshift road. The State’s licensing regulations make it imperative that a brand new building be constructed to do the Hospital’s job right—efficiently and economically.
Vote YES on Proposition A . . . for a new, high-rise, centralized Hospital for San Francisco. It's the first item on your ballot.

Proposition A requires no additional land. The new building will rise on the present site, with no interruption in service—just a steady improvement.

The present buildings may be converted to other uses, permitted by the State regulations—such as administration, research, medical libraries, or may be demolished.

**Vote YES on Proposition A . . . for the Hospital.**

Day in and day out, San Francisco General Hospital takes thousands of cases that other hospitals are either unwilling or unable to handle. These 175,000 cases per year include accident victims and victims of violence. It includes cases of tuberculosis and contagious disease. It includes psychiatric cases—a vastly increased category since the days when this Hospital was built. It includes alcoholics. It includes the great army of those who can’t afford private medical care.

To insure that these essential community services continue, especially the fine 24-hour emergency service at the disposal of all citizens, vote YES on Proposition A.

With the advent of Medicare, the community is going to need more hospital facilities than ever. This is another reason that we cannot delay. We must have a modern medical center as soon as possible to supplement the private hospital capacity.

Taxpayers' organizations ask you to vote YES on Proposition A. Doctors, nurses, psychiatrists, lawyers, business men, labor unions, all responsible citizens, ask you to vote YES on Proposition A.

There is no organized opposition.

But we must have a two-thirds vote. We need two YES votes for every No vote. There are some people who vote No automatically, without investigation. To offset these eternal No-men, we need twice as many who know the urgency of Proposition A and will vote YES.

First things first: Proposition A is the first order of business on November 2. It's the vital necessity in this election.

Be sure to vote YES on A . . . for an economical, modern Hospital . . . and be sure your neighbor does, too!

On September 7, 1965, the Board of Supervisors authorized the foregoing argument for inclusion in the election pamphlet for November 2, 1965, by the following vote:

ROBERT J. DOLAN, Clerk

CONTROLLER’S STATEMENT PURSUANT TO CHARTER SECTION 183

Medical Center Bonds, 1965. To incur a bonded indebtedness in the sum of $33,670,000 to pay the cost of constructing and equipping a medical center for the city and county of San Francisco.

Should the proposed bond issue be authorized and when all bonds shall have been issued on a fifteen year basis, and after consideration of the interest rates related to current municipal bond sales, and using the 1965-1966 assessment roll as a basis for calculating the effect upon the tax rate, in my opinion, the approximate cost and effect on the tax rate would be as follows:

<tr>
<td>Bond redemption</td>
<td>$33,670,000</td>

<tr>
<td>Total debt service requirement</td>

The Board of Supervisors by its Resolution Number 590-65 has expressed its policy that any and all monies received from the state and the federal government in connection with the acquisition, construction or completion of this improvement will be used to finance said improvement in lieu of selling bonds and, to the extent not so used, will be used for debt service on this bonded debt.

We are unable at this time to estimate the amount of money, if any, San Francisco would receive from the state and federal government to apply to the cost of new hospital construction. The allocation of state and federal grants depends on many factors such as appropriation of funds at both the state and federal levels and a state-wide determination of priority need.

It is contemplated that upon completion of the construction under the proposed bond issue, the major portion of existing buildings in the San
Francisco General Hospital Complex will be available for purposes other than those for which they are now used.

Inasmuch as the uses to which these buildings will be put is unknown at this time, we cannot estimate either the cost of remodeling or the annual cost of operation and maintenance. The following figures do not indicate any costs in connection with the existing buildings except a sum required for the prevention of physical deterioration.

Based on a four year construction program average annual debt service requirement for 21 years ........................................ $2,139,517

Based on a report prepared by the staff of the San Francisco General Hospital, upon completion of the work to be accomplished under the proposed bond issue, the annual operating costs are estimated to be affected as follows:

Patient care currently provided in San Francisco General Hospital not planned to be accommodated in the proposed facility but is planned to be provided in other hospitals on a contractual basis—

Medical and Surgical (expense increase) 2,338,890
Tuberculosis (expense increase) 498,020
Additional care planned to be provided in new out-patient facilities (expense increase) 1,476,736
Revenue from State related to medical assistance now given to the aged (MAA)-patient care planned to be provided in other hospitals (revenue decrease) 795,541
San Francisco General Hospital staff estimated that the operating and maintenance costs of the proposed facility would be approximately equal to like costs of the existing plant.

Maintenance of existing plant in "moth ball" condition (expense increase) 132,928

Total .................................................................................. $7,431,632

Based on the continuance of present law and appropriation of funds by the State—
75% of the cost of additional psychiatric care (revenue increase)$1,674,701

Net amount of recurring costs which are equivalent to thirty four and nine hundredths (34.09) cents in the tax rate ............................................... $5,756,931

PROPOSITION B

War Memorial Center Bonds, 1965. To incur a bonded indebtedness in the sum of $29,000,000 for additions and improvement of the War Memorial Center of the City and County of San Francisco.

ARGUMENT FOR PROPOSITION B

Vote "Yes" on Proposition B

Nothing has brought San Francisco more lasting world acclaim than her majestic Civic Center War Memorial. It has been peace maker and peace setter. It has been the gathering place for the world's leaders, and a magnificent Mecca for the world's most talented artists.

The War Memorial's Opera House and Veterans Building were birthplace for the United Nations and for the Japanese Peace Treaty. Both buildings have established international standards for excellence in opera, symphony, ballet, painting, sculpture.

Most of all, the War Memorial, constructed more than three decades ago, has benefited all San Franciscans. It has provided a spectacular variety of musicals, concerts, ballets, shows, veteran's activities—attractions of all kinds for everyone's enjoyment. It has added to San Francisco's priceless heritage as the world's favorite city.

It has contributed tremendously to San Francisco's financial well being. Outstanding achievement inevitably attracts even greater success and opens new opportunities.

The Opera House and the Veterans Building, however, are becoming increasingly inadequate to history's latest challenge—the cultural explosion. There has been an amazing awakening to the arts. Americans now are spending one-third more to see the musical and theatrical arts than for spectator sports. The spectrum of attractions constantly expands. Audiences multiply.

Vote "Yes" on B

The Opera House and the Veterans Building, built in 1933, cannot accommodate the new demands. Nor, increasingly, can they meet the requirements of their historic occupants—the world-renowned San Francisco Opera, Symphony, Ballet and Museum of Art. Opera House seasons overlap. Rehearsals exclude paying performances.

Proposition B, with two-thirds of the vote on November 2, will insure for generations to come San Francisco's traditional pre-eminence as the cultural center of the West. The $29 million bond issue will rehabilitate the aging Opera House and Veterans' Building and will add a Musical Arts Building.

Together, the three stately buildings will make an impressive, integrated complex to serve conveniently, in one location, all San Franciscans. The War Memorial Center will be a splendid backdrop to Civic Center, and will be, because of its grandeur, an international attraction in itself.

Vote "Yes" on B

San Francisco, since the Gold Rush, has been an exciting, vital cultural and commercial hub around which all The West has grown and prospered. The arts have bestowed a special glow that has been San Francisco's enduring halo and greatest attraction. Great corporations locate here. Gifted
men and women come here to live. Unique skills such as those of the members of the 35 labor unions employed in the complex, find expression. Tourists add millions of dollars. Paychecks in every neighborhood benefit. New jobs are created, and old ones are strengthened.

Proposition B's enthusiastic endorsement by the San Francisco Chamber of Commerce and the San Francisco Labor Council—as well as the Opera Guild, Symphony Association, Ballet Guild, the Museum of Art, the Spring Opera and many other organizations—clearly indicates the magnitude of its popular support.

But, many cities now are recognizing what San Francisco has historically developed—the rising expectations of Americans in all walks of life for the fun and fulfillment the arts so abundantly give. Many cities—Detroit, Boston, Philadelphia, Dallas, Oklahoma City, Los Angeles, Washington D. C.—now are spending millions for centers to siphon talent—and the business dollars they generate—from the traditional leaders: San Francisco and New York.

Proposition B will make the War Memorial "the envy of the world." The Opera House and the Veterans Building provide the stirring setting. The addition of the Musical Arts Building will create a complex which could not be duplicated for many times the cost of the bond issue.

**Vote "Yes" on B**

Rehabilitation of the venerable Opera House and Veterans Building is as urgent as is construction of the Musical Arts Building. Sandblasting and painting have kept the exterior of the two buildings imposing, but San Francisco has not been able to combat obsolescence inside. Deterioration has set in, and could be dangerous.

Walls and ceilings are cracked by age and earthquakes. Skylights leak. Walkways are uneven. Plumbing is old and wiring makeshift. Elevators are antiquated. Seats are worn and uncomfortable. Stage equipment is hopelessly obsolete.

Proposition B will correct these grave and growing faults and should spike, once and for all, the damaging pessimism and rumors of San Francisco's supposed cultural decay.

The Museum of Art on the top floor, which now rivals the attendance of the New York and Boston museums, will be remodeled. Jig-saw partitions will be removed and storage areas, which now are considered "dangerous" to works of art, will be thoroughly renovated.

The Musical Arts Building will be behind the Opera House and linked to it and the Veterans' Building by covered walkways and the present lovely War Memorial Courtyard. Its architecture will be in keeping with the other buildings of the War Memorial. It will have a music hall midway in size between the 3250-seat Opera House and the 1100-seat auditorium in the Veterans Building. In addition, it will house a separate rehearsal stage for the opera, symphony and ballet.

Rehearsals now keep the Opera House dark—and profitless—as much as six months of the year. This loss is tragic and costly, not only in terms of revenues lost because big productions go elsewhere, but to San Franciscans who thereby miss some of the world's finer attractions.

**Vote "Yes" on B**

Franklin Street will be put underground to keep the center an unbroken whole and easy access will be provided from all parts of the community. A restaurant, coffee shop and 500-car underground garage in the new Musical Arts Building will add to the convenience of the thousands who will attend the center, and the growing number of people now working in the Civic Center area.
The center—with its variety of stages, its major building free of elaborate and lengthy rehearsals—will be able to offer a matchless variety of exciting matinee and evening productions all year long for all San Franciscans.

The wonderfully enriching special concerts, operas and educational programs for thousands of San Francisco school children can be enhanced.

In this regard, President John F. Kennedy, who did so much for the arts, said: "I see little of more importance to the future of our country and our civilization than full recognition of the place of the artist . . . art establishes the basic human truths which must serve as the touchstones of our judgment."

There are no frills in the plan for the War Memorial Center:

- Rehabilitation and Modernization: $9,900,000
- Musical Arts Building: $10,750,000
- 500-car Garage: $3,040,000
- Franklin Street Underpass and streets: $1,610,000
- Land: $3,700,000
- **Total**: $29,000,000

The plan is sound and reasonable—a dramatic dream, first included in the 1958 Master Plan, now on the threshold of reality after more than 18 months of intensive planning and review by architects, the City Planning Commission, the Board of Supervisors, the Citizens Downtown Bond Screening Committee, Mayor John F. Shelley and his Administration and neighborhood leaders from throughout San Francisco.

But, any delay in its construction will add millions to the cost later.

San Francisco is the world's favorite city—Let's keep her that way.

ROBERT J. DOLAN Clerk

ARGUMENT AGAINST PROPOSITION “B”
Vote No on Proposition “B”

Keep Your Taxes Down — Vote No on Proposition “B”

This extravagant proposition is badly planned and will result in increased taxes and rents over the next 20 years.

The present two buildings in the War Memorial Center were born through private initiative. Subscriptions totaling $2 million were contributed. In Los Angeles, two-thirds the cost of the $33.5 million center was raised by donations, the remainder by revenue bonds. The Los Angeles center will not cost taxpayers there a cent.

The opera, symphony and ballet serve a limited audience. But the cost of Proposition “B” must be borne by all San Francisco Taxpayers.

The “Establishment” in San Francisco wants a musical arts building—the major expense in the issue — involving the expenditure of some $20,000,000.00. If the city needs such a building, let it be provided by the initiative of its potential patrons, as was the case in Los Angeles and with the San Francisco Opera House and Veterans Building originally.

The Opera House needs some fixing up. The “Establishment” has badly neglected it for the last 30 years. Two or three million dollars could take care of that. But the “Establishment” is asking the tax payer to pay at least $20,000,000.00 for a building that nobody wants or understands.

Keep Your Taxes Down — Vote No on Proposition “B”

History has shown that the projected figure—$29 million—will not be sufficient to complete the project. In New York, for example, the initial estimate of the “Establishment” was $55 million for the erection of Lincoln Center. It wound up costing $160 million.

In San Francisco, Candlestick Park needed, for completion, $5 million in excess of the original issue. The Palace of Fine Arts required an additional $850,000 from the 1964-1965 budget after the $1.8 million bond issue was approved in 1959. Don’t be fooled again.

The politicians are aware of this. They add an “invisible” 10 per cent to every project built with public money.

Keep Your Taxes Down — Vote No on Proposition “B”

Proposition “B” will cost considerably more than the $29 million claimed by the “Establishment.” Interest alone will amount to one-third
that amount—$9,701,825.00. This will raise the tax rate more than 10 cents for every $100 assessed valuation.

Then there is the annual loss at the opera house and veterans building. The "Establishment" has ignored this. The loss this year was $436,306.00. The taxpayer had to pay the tab. If Proposition "B" is approved, the loss will be increased. The published plans for the musical arts building do not include a projected profit and loss statement, which is basic to any preliminary consideration of a taxpayer supported institution.

San Francisco may need a musical arts building, but there has been no comprehensive study made. There hasn't even been an inquiry to the major foundations to explore the possibility of getting matching funds to relieve the taxpayer's burden, as was the case in New York with Lincoln Center. Foundations gave $65 million to Lincoln Center.

**Keep Your Taxes Down — Vote No on Proposition "B"**

A typical feature of the unsound planning behind this proposition is the 500 car garage slated for the center. Cost per stall is $6,080.00—almost double the price per stall at the Civic Center Plaza, and significantly higher than any other now completed City built or operated parking lot. The report by the architects claims the underground garage is needed because opera and symphony goers wear dress clothing when they attend their gala affairs at the Opera House. They shouldn't be exposed to the elements. Should the taxpayer assume this additional $3 million liability for the "Establishment"?

**Keep Your Taxes Down — Vote No on Proposition "B"**

Another haphazard aspect of Proposition "B" is the site planned for the Musical Arts Building—behind the existing buildings. It will require an additional $3,700,000.00 for land and a $1,500,000.00 underpass on Franklin Street. This in an unnecessary expense because there is school district owned land available adjacent to the Opera House which would not cost a dime. A parking lot occupies the space now.

**Keep Your Taxes Down — Vote No on Proposition "B"**

Still another foolish item in this ill conceived plan is the $2,000,000.00 renovation of the Museum of Art on the fourth floor of the Veterans Building. The Museum is in an obscure, remote location. Mayor John F. Shelley on July 16, 1965 told trustees of the War Memorial buildings that the museum "is lost where it is," and he suggested that it might be relocated someday in the main library in Civic Center. Why compound the absurdity of the present location by spending another $2,000,000.00 of taxpayers' money? The Museum would still suffer from inadequate room for expansion.

**Keep Your Taxes Down — Vote No on Proposition "B"**

The issue is not whether the Opera House should be repaired. The "Establishment" has used this as a red herring to shove at least $24,000,000.00 worth of construction that nobody wants or understands down the throat of the taxpayer.

This proposition "B" is a war between the "Establishment" and the taxpayers. Don't be fooled—keep your taxes down.

This argument is sponsored by the Citizens Committee for NO on B.

LOUIS R. LURIE, Chairman

**ARGUMENT AGAINST PROPOSITION "B"**

Vote No on Proposition "B" the $29,000,000 Bond Proposal for the War Memorial Center:

We urge you to vote NO on Proposition "B" for the following reasons: 1. This large expenditure, costing over $38 million with interest, is not San Francisco's most urgent need compared with the need for railway mod-
ernization, airport facilities, recreation and park facilities, proposed new sports and recreation center and others.

2. Acquisition of private property (to be removed from the tax rolls) will have a high cost estimated at $3,700,000; a square block of city owned property just across the street from the Opera House is now used only for parking.

3. There is $2 million earmarked for the Museum of Art in this issue. Even if this money were used as outlined the Museum would still be in a poor fourth-floor location and future showings would not be greatly enhanced.

4. Expensive and questionable frills such as $1,342,200 for air-conditioning in the Veterans Building and Opera House are included.

5. The proposed 500-car garage would cost $6,080 per stall—higher than any of the other city-connected garage enterprises now in operation. The nearby Civic Center garage has required a city subsidy for several years.

6. The War Memorial now requires $436,000 in tax support. These new facilities may increase this loss. Bond interest and redemption alone will cost $1,935,092 a year, equal to .1146¢ in the tax rate.

While our organizations recognize the desirability of improvements to these cultural facilities, we believe that Proposition "B" should be rejected by the voters. The proposal was hastily drawn and as far as we could determine did not give any consideration to possible alternate proposals which would be less costly to the taxpayers.

This argument is sponsored by the following organizations:
Apartment House Associations Consolidated
Building Owners and Managers Association of San Francisco
San Francisco Real Estate Board

ARGUMENT AGAINST PROPOSITION B
San Francisco United Against Proposition B

There has been a concerted attempt to identify this Bond Issue for $29 million worth of construction with the San Francisco Opera Guild and San Francisco Symphony. The continuance and excellence of these two groups are not the issue. The issue is the expenditure of $18,900,000 for a 2200-2700 seat hall and 500 stall garage and $4,100,000 for the renovation of the Veteran's Memorial Building.

The issue is not whether the Opera House be renovated, at a cost of $5,800,000 so that San Francisco will have a home for Opera, Symphony and the Ballet, but should these organizations be used as a wedge to get $24,200,000 worth of construction that nobody wants or understands. For a mere fraction of this sum, look what we could have for the benefit of all San Franciscans!

Use of the Palace of Fine Arts, which already has 75% of the building facilities bought and paid for, and could become what its name already implies.

Building of 500 seat performing arts theatres in your neighborhood where low priced, high-quality entertainment could be presented for your enjoyment and would encourage local talent to stay in San Francisco.

If Proposition B passes, all conceivable cultural money will be eliminated for 20 years to come.

Who was consulted by the powers behind Proposition B? None of the local talent groups were. Not the Actor's Workshop, not the Regional Arts Council, not the National Arts Council (which means no possibility of Federal aid), not even the San Francisco Art Commission, which is supposed to be the cultural arm of your city government. And this is
why the bond screening committee of the San Francisco Board of Supervisors elected not to place Proposition B on the ballot.

SPUR (San Francisco Planning and Urban Renewal) asks 18 pertinent probing questions. Among them:

1. Have the cultural facilities proposed in the Bond Issue been related to overall cultural needs in San Francisco and the Bay Area? (The answer is "No")

2. Have general priorities of need for cultural facilities been set? (The answer is "No")

3. What San Francisco and Bay Area planning agencies were involved in the planning process and when? (The answer is "None")

A professional member of your San Francisco Art Commission asked the following pertinent questions:

1. How much of their own money were the season-ticket opera-goers willing to give for improvements to the opera house as they did in Los Angeles and New York? (The answer is "Not One Cent")

2. What inquiries were made into the possibilities of receiving Federal aid or foundation support, as Los Angeles and New York received for their cultural centers? (The answer is "None")

The San Francisco cultural lag is a human problem, not a construction problem. Join us in defeating this multi-million dollar subsidy to an exclusive clique who wants you to pay for its exclusive luxury.

Based on a report prepared for the Board of Trustees, War Memorial of San Francisco, upon completion of the work to be accomplished under the proposed bond issue, it is our considered judgment that revenues from the proposed new and reconstructed facilities can be increased so as to more than offset the estimated increase in operating and maintenance expense. The estimated average amount required to pay the interest on the bonds and redemption thereof would be approximately $1,935,092 annually for 20 years. This amount of $1,935,092 is equivalent to eleven and forty-six hundredths (11.46) cents in the tax rate.

PROPOSITION C

**Adds Section 158.01: Empowers Board of Supervisors to enact ordinances relative to retirement and death benefits of City employees.**

**CHARTER AMENDMENT**

Describing and setting forth a proposal to the qualified electors of the City and County of San Francisco to amend the Charter of said city and county by adding Section 158.01 thereto, relating to retirement and death benefits.

The Board of Supervisors of the City and County of San Francisco hereby submits to the qualified electors of said city and county at an election to be held therein on November 2, 1965 a proposal to amend the charter of said city and county by adding Section 158.01 thereto, to read as follows:

Section 158.01 The board of supervisors is hereby empowered to enact by a vote of a majority of its members an ordinance or ordinances providing retirement and death benefits under the retirement system, in addition to the retirement and death benefits provided by this Charter; all of which benefits provided by this Charter are hereby declared to be minimum benefits only; provided that the board of supervisors shall secure, through the retirement board, an actuarial report of the cost and effect of any proposed change in the benefits before enacting an ordinance providing for such benefits.

Contributions to the retirement system necessary to provide benefits enacted pursuant to this section, if applicable to members under Section 165.2, 168.1 or 171.1 shall be provided in the manner stated in Section 165.2(I), Section 168.1.10, or Section 171.1.10, respectively; or if applicable to members under Section 165, according to methods prescribed by the board of supervisors. Any additional benefits provided by such ordinance and which are applicable to beneficiaries who, on the effective date of such ordinance, are already receiving allowances under the retirement system shall be funded according to methods prescribed by the board of supervisors.

I hereby certify that the foregoing Charter Amendment was ordered
submitted by the Board of Supervisors of the City and County of San Francisco.

ARGUMENT FOR PROPOSITION “C”

Proposition C does not cost the taxpayer one single penny. It is fair to all: to the taxpayer, to the city employee, to our city government.

Proposition C proposes a simple direct method of setting death and retirement benefits—just that, nothing more.

It authorizes the Board of Supervisors, after actuarial study and public hearing, to set retirement benefits for city employees, just as it now determines their wages and working conditions and other benefits.

Proposition C proposes to use facts in place of emotion, public hearings instead of political propaganda, careful and impartial investigation rather than campaign slush funds.

It is the same method that fixes retirement benefits for nearly a million public employees of Federal, state, and local governments in California. Not a single county in the state uses the complicated, old-fashioned method now required in San Francisco.

Proposition C maintains rigid safeguards over the city’s retirement funds. Every safeguard now in the charter remains without change. At the same time, it provides a fair and democratic means of protecting the legitimate concerns of the taxpayer and the valid claim of the city employee—a more careful, a more direct method for the citizens of San Francisco to control their employees’ retirement program.

For the past twenty years, the city employees’ retirement benefits have been a political football—kicked one way by employees who felt they had a valid claim to improvement, booted in the other direction by self-serving interest groups who often resist any improvement, no matter how justified it may be.

The result has been injustice and unfairness to city employees, indignity and suffering to many who have retired—without insuring the taxpayer that he was getting full value for his dollar.

Proposition C ends the nightmare of politics and pensions—confusing, complicated, often unintelligible ballot propositions—endless political campaigns. It ends an unnecessary, wasteful expense to taxpayers, to city employees, and to the city itself.

Proposition C is the fair, the democratic, the wise way to handle the problem.

ARGUMENT AGAINST PROPOSITION “C”
Vote “No” on “C.” Don’t Give Up Your Right to Vote on Multi-Million Dollar Retirement Proposals.

City employee groups call “C” a “retirement proposition to end all retirement propositions.” If “C” passes you would probably never get a chance to vote on questions involving millions of dollars of your money. Decisions would be made in supervisors’ meeting rooms while taxpayers are busy earning a living. You would feel the effects in your pocketbook.

Vote “No” on “C” because pension schemes you have already rejected with your vote can be revived in a new form. Voters have turned down numerous costly pension proposals. If “C” is approved, a simple majority of the eleven member board of supervisors could approve many costly proposals of the kind you have rejected.

Vote “No” on “C” because it is a calculated move by organized city employee groups to take away your control over pension proposals. There are over 25,000 active and retired employees. The employees stated in their argument that Proposition “C” does not cost the taxpayer “one single penny.” This is an insult to your intelligence. Because the possibly staggering costs that could follow from “C” are unknown, they tell you it does not cost a penny.

Vote “No” on “C”

Don’t give the Supervisors a blank check. There is no known cost reported for “C” because there is no way of determining how greatly retirement costs might be increased by the supervisors in the future. Under this proposal all present charter benefits would be “minimum.” “C” is a blank check for increased spending!

Vote “No” on “C” because your taxes are already too high! The $10.168 tax rate now in effect is the highest in history. Approval of open-end proposals like “C” could send your taxes skyrocketing.

Vote “No” on “C”

It is imperative that you make your vote count against the city employee bloc that would deprive you of the right to vote on costly pension questions. Don’t vote a blank check!

CONTROLLER’S STATEMENT PURSUANT TO CHARTER SECTION 183
PROPOSITION “C”

Adds Section 158.01: Empowers Board of Supervisors to enact ordinances relative to retirement and death benefits of city employees.

Should the proposed charter amendment be adopted, it is our opinion that it would not, of itself, create any additional costs but as a product of its future application, additional costs may be created that are not determinable at this time.

PROPOSITION D

Amends Section 151.6: Authorizes Board of Supervisors to provide for replacement costs of personal property stolen from certain uniformed officers and employees and relieves such officers and employees from liability for entrusted funds stolen.

CHARTER AMENDMENT

Describing and setting forth a proposal to the qualified electors of the City and County of San Francisco to amend the charter of said city and county by amending Section 151.6 thereof to provide that the board of supervisors may provide by ordinance for the payment of the costs of replacing various items of stolen personal property of certain uniformed officers and employees and for release of liability for, and replacement of, public funds stolen from any such officer or employee.

The Board of Supervisors of the City and County of San Francisco hereby submits to the qualified electors of said city and county an election to be held therein on November 2, 1965, a proposal to amend the charter of said city and county by amending Section 151.6 thereof to read as follows:

NOTE: Additions are indicated by bold-face type; deletions are indicated by ((double parentheses)).

Section 151.6. Notwithstanding the provisions of sections 35.5.1, 36.2, 150, 151, 151.3, or any other provision of this charter, the board of supervisors may provide by ordinance for the payment of the costs of replacing or repairing equipment, property, or prostheses of any uniformed officer or employee of the police department, fire department, sheriff's office or municipal railway, such as, but not confined to, eyeglasses, hearing aids, dentures, watches, or articles of clothing necessarily worn or carried by such employee when any such items are stolen or damaged in the line of duty without fault of the employee. If the items are damaged beyond repair, the actual value of such items may be paid. The value of such items shall be determined as of the time of the damage thereto.

In the event public funds entrusted to any such employee are stolen, without fault of the employee, the board of supervisors may provide by ordinance for the release of liability of such employee for said public funds and for the replacement, where necessary, of such funds in the employee's possession.

The board by a three-fourths vote of all of its members may make similar provision in relation to any other officer or employee where it finds that the damage or loss was occasioned by unusual circumstances or the occurrence of an extraordinary event.

The board is authorized to enact any and all ordinances necessary to carry out the provisions of this section.

Ayes: Supervisors Blake, Boas, Casey, Ertola, Francois, McCarthy, McMahon, Morrison, Tamaras, Tinney.

I hereby certify that the foregoing Charter Amendment was ordered submitted by the Board of Supervisors of the City and County of San Francisco.

ARGUMENT FOR PROPOSITION “D”

“Proposition D” is, to our knowledge, not opposed by any important segment or group in our City. Month in, month out, year in, year out, in the newspapers you have read stories of drivers of Municipal Railway who have been beaten by thugs and robbed. Their clothing has been torn, eye glasses broken and on many runs, they stand in constant peril of thefts and robberies.

Because of the peculiarities of our City Charter, it has been possible to reimburse the employees for damage to their clothing and personal possessions in the course of attacks and, in the event of certain types of theft, we are able to assist the employees through reimbursement. But, because of the peculiarities of our City Charter, it has not been possible for the City to help the employees bear losses in other types of thefts even though the employee has been without fault and in line with duty.

This Charter Amendment merely corrects a technical deficiency to help the employees bear the loss of limited personal possessions, clothing and the change fund entrusted to them when such items are stolen without fault of the employee and in line of duty. The Board of Supervisors, by ordinance, may establish the ground rules for the release of liability for employees whose change fund has been stolen without personal fault.

Other transit companies in cities in other parts of the United States protect employees to the extent sought by this Charter Amendment. It is only fair and just for the City of San Francisco to assist the employees in these tragic incidents by the amendment here proposed.

CHARTER AMENDMENT

Describing and setting forth a proposal to the qualified electors of the City and County of San Francisco to amend the charter of said city and county by amending Section 125 thereof to provide that platform men and bus operators shall be paid an amount sufficient to equal the compensation for forty hours a week where the actual earnings are less than that amount, provided that each such platform man and bus operator reports ready for work on each day of his regularly assigned work week, and deleting obsolete language.

The Board of Supervisors of the City and County of San Francisco hereby submits to the qualified electors of said city and county at an election to be held therein on November 2, 1965, a proposal to amend the charter of said city and county by amending Section 125 thereof, to read as follows:

NOTE: Additions are indicated by bold-face type; deletions are indicated by ((double parentheses)).

EMPLOYMENTS

Section 125. All employees engaged in public utility work at the time this charter shall go into effect, and who have been permanently appointed to their respective positions in conformity with the civil service provisions of this charter, shall become employees of the public utilities commission under the classification held by each such employee at such time. All persons employed in the operating service of any public utility hereafter acquired by the city and county, at the time the same is taken over by the city and county, and who shall have been so employed for at least one year prior to the date of such acquisition, shall be continued in their respective positions and shall be deemed appointed to such positions, under, and entitled to all the benefits of, the civil service provisions of this charter; provided, however, that no person who is not a citizen of the United States shall be so continued in or appointed to his position. All persons residing outside the city and county claiming the benefit of this provision and who are not engaged on such utility work outside of the limits of the city and county shall be allowed a reasonable time, not exceeding one year, to become residents of the city and county.

Persons employed as platform men or bus operators in the operating department of the municipal railway system shall be subject to the following conditions of employment: The basic hours of labor shall be eight hours, to be completed within ten consecutive hours; there shall be one day of rest in each week of seven days; all labor performed in excess of eight hours in any one day, or six days in any one week, shall be paid for at the rate of time and one-half.

((For the fiscal year beginning July 1, 1957, the basic hours of labor shall be eight hours to be completed within ten consecutive hours, provided however, in alternate weeks, there shall be two days of rest, consecutive

53
where practicable, and all labor performed in excess of eight hours in any one day, or after a spread of ten consecutive hours in any one day, or five days in any one of such alternate weeks, shall be paid for at the rate of time and one-half.)

For the fiscal year beginning July 1, 1958, and thereafter, the basic hours of labor shall be eight hours, to be completed within ten consecutive hours, and there shall be two days off, consecutive where practicable, in each week. All labor performed in excess of eight hours in any one day, or after a spread of ten consecutive hours in any one day, or five days in any one week, shall be paid for at the rate of time and one-half.

On and after July 1, 1966 platform men and bus operators shall be provided a minimum of forty hours of work per week, where practicable, and, in the event forty hours of work in any one week are not available for any such platform man or bus operator and his actual earnings for any such week are less than the amount he would have earned by working forty hours at straight time in such week, then, and in that event, any such platform man or bus operator shall be paid a sum that will equal the difference between his actual earnings in any such week and the amount he would have earned by working forty hours at straight time in such week, at the then prevailing hourly rate of pay; provided, however, no such platform man or bus operator shall be entitled to receive such difference unless on each day of his regularly assigned work week he reports at such times and places and in a manner to be prescribed by the public utilities commission, in uniform, ready, and able to work a minimum of eight hours. The board of supervisors shall enact any and all ordinances necessary to administer, interpret and regulate the provisions of this paragraph.

For purposes of the retirement system, any sums paid pursuant to the preceding paragraph shall be related to hours and minutes at straight time and so reported on time rolls and payrolls, and such time shall be credited as service rendered on the last day of the week for which such sum was paid.

Conductors and motormen may be assigned to duty as bus operators and while assigned to such duty they shall receive the compensation fixed for such service. Such assignment shall be governed by seniority of service, subject to a qualifying test by the railroad management as to competency and to state laws as to qualifications and licensing.

The public utilities commission shall have jurisdiction over the airport now being conducted by the City and County of San Francisco, as well as over any other airport which said city and county may after acquire, maintain or operate. All employees, exclusive of the manager of the present San Francisco airport, who are actually employed at the present airport operated and maintained by the City and County of San Francisco on the effective date of this amendment and who have been continuously so employed for one year immediately preceding said date shall be continued in their respective positions as if appointed thereto after examination and certification from a list of eligibles and shall thereafter be governed by and be subject to the civil service provisions of this charter. All said employees so continued in their respective positions shall be eligible for like positions in any other airport hereafter acquired, maintained or operated by the City and County of San Francisco.

Ayes: Supervisors Blake, Boas, Casey, Ertola, McCarthy, Morrison, Moscone, Tamaras, Tinney.

Noes: Supervisors Francois, McMahon.
I hereby certify that the foregoing Charter Amendment was ordered submitted by the Board of Supervisors of the City and County of San Francisco.

ARGUMENT FOR PROPOSITION E

The proud and enlightened City of San Francisco is lagging behind many cities in the United States in some of the economic benefits provided to their municipal Carmen.

The passage of this charter amendment, for a guaranteed work week, would be a significant step toward correcting one of these inequities.

One of the outstanding developments in recent years with respect to the improvement of conditions of municipal transportation employees has been the widespread acceptance of the concept of a guaranteed work week. Experience has shown that efficiency and morale of the affected workers have increased in those municipalities which, through collective bargaining contracts or statutory enactments, guaranteed affected workers that they will enjoy the security of regular employment. This is especially true of so-called "extra" employees who desperately need a guarantee of steady employment.

A survey of major cities in the United States shows that the following now guarantee forty hours per week or the equivalent, to employees in positions comparable to the Municipal Carmen:

Akron, Baltimore, Buffalo, Chicago, Cleveland, Columbus, Detroit, Los Angeles, New York City, Kansas City, Oakland, Omaha, Milwaukee, Philadelphia, Rochester, Minneapolis and Washington, D. C.

For the foregoing reasons, we strongly urge a YES vote on Proposition E.

Amends Section 125: Provides that platform men and bus operators who work less than forty hours per week shall be paid the difference between hours worked and forty hours under certain specified conditions. Deletes obsolete language.

Should the proposed charter amendment be adopted, based on a report by the Public Utilities Commission considering the current level of platform men and bus operator employment and current wage rates, it is estimated that the annual increase in the cost of government would be approximately
$51,000. Based on the 1965-1966 assessment roll, said amount of $51,000 is equivalent to thirty hundredths (0.30) of one cent in the tax rate.

CHARTER AMENDMENT

Describing and setting forth a proposal to the qualified electors of the City and County of San Francisco to amend the charter of said city and county by adding section 142.6 thereto, relating to the manner in which temporary training positions shall be filled.

The Board of Supervisors of the City and County of San Francisco hereby submits to the qualified electors of said city and county at an election to be held therein on November 2, 1965, a proposal to amend the charter of said city and county by adding section 142.6 thereto, reading as follows:

Temporary Training and Economic Assistance Positions

Section 142.6. When funds for temporary training and economic assistance positions in any department or office of the city and county or in the Unified School District are provided in whole or in part by federal or state agencies for the training and economic assistance of persons who meet the qualifications of the program or programs for which such funds are provided, and when the duties of such positions do not involve functions normally performed by persons appointed pursuant to the civil service provisions of this charter, said positions may be exempted from being filled through civil service examination procedures for such periods of time as the civil service commission shall order. Immediate supervisory positions established for the exclusive purpose of supervising training and economic assistance programs as set forth in this section, may be exempted from being filled through civil service examination procedures by rule of the Civil Service Commission. Persons appointed to positions described in this section shall not by virtue of service in such positions become members of the retirement system.

ARGUMENT FOR PROPOSITION F

This charter amendment has been presented by the Civil Service Commission and has been approved for inclusion on the ballot by the Board of Supervisors. This proposal will not affect regular civil service employees
or civil service positions nor will it change existing civil service provisions of the charter.

Under the Economic Opportunity Act, funds have been made available by the federal government for the temporary assignment to city departments of a number of persons needing job training and/or economic assistance.

The proposed amendment would authorize the Civil Service Commission to exempt such training and economic assistance positions for temporary periods of time.

There is no way under existing charter provisions to participate in this program on a continuing basis and to take advantage of available federal funds unless these persons are exempted from existing Civil Service provisions of the charter.

If the positions are not exempted, the City and County's participation in the program would be endangered.

The Civil Service Commission requests your "Yes" vote on this Charter amendment.

PROPOSITION G

Amends Sections 35, 36 and 140: Increases membership of Police Commission, Fire Commission and Civil Service Commission from three to five members each.

CHARTER AMENDMENT

Describing and setting forth a proposal to the qualified electors of the City and County of San Francisco to amend the charter of said city and county by amending Sections 35, 36, and 140 relating to membership on the Police Commission, Fire Commission and Civil Service Commission.

The Board of Supervisors of the City and County of San Francisco hereby submits to the qualified electors of said city and county at an election to be held therein on November 2, 1965, a proposal to amend the charter of said city and county by amending Sections 35, 36, and 140 thereof, so that the same shall read as follows:

NOTE: Additions or substitutions are indicated by bold-face type; deletions are indicated by ((double parentheses)).

Police Department
Section 35. The Police Department shall consist of a Police Commission, a Chief of Police, a police force and such clerks and employees as shall be
necessary and appointed pursuant to the provisions of this charter, and shall be under the management of a Police Commission consisting of (three) five members, who shall be appointed by the Mayor, and each of whom shall receive an annual compensation of twelve hundred dollars ($1200). The term of such Commissioner shall be four years. ((, commencing at 12:00 o'clock noon on the 15th day of January in the years, 1945, 1946 and 1948, respectively.)\) The incumbents serving as members of the Commission on the effective date of this amendment, increasing the membership of the Commission, shall continue to hold their respective positions subject to the provisions of the charter, for the remainder of the terms for which they have been respectively appointed.

The police commissioners shall be the successors in office of the police commissioners holding office in the city and county at the time this amendment shall become effective, and shall have all the powers and duties thereof, except as in this charter otherwise provided. They shall have power to regulate traffic by means of police officers and the emergency use of temporary signs or devices.

The traffic bureau is hereby established under the jurisdiction of the chief of police. The bureau shall be in charge of a traffic director, who shall have powers and duties relating to street traffic, subject to laws relating thereto and to the police commission, as follows: (a) to regulate all street traffic by means of police officers and the emergency use of temporary signs or devices; (b) to promote traffic safety education and to receive and give prompt attention to complaints in relation to street traffic and to refer all complaints relating to or arising from street design or from traffic devices, or the absence thereof, to the department of public works; (c) to collect and compile traffic accident data, copies whereof shall be furnished to the department of public works; (d) to cooperate and advise for the best performance of these functions, with the department of public works, the public utilities commission, the fire department, the department of city planning, the board of supervisors and other departments and agencies of the city and county and state as may be necessary; and (e) to review all proposed plans relating to street traffic control devices which are received from the department of public works and to make such recommendations to that department as may be deemed necessary for the proper regulation of street traffic within fifteen (15) days after receipt of said plans from the department of public works, pursuant to Section 107.1 of this charter.

The powers and duties of the traffic director hereinabove stated shall not modify to any extent the powers and duties of any department or office, but shall be, first for the purpose of assisting the police commission in its regulation of traffic, and, second, for the purpose of recommendation only, to other departments or offices upon matters within their jurisdiction, but affecting to any extent the regulation of traffic.

Fire Department

Section 36. The Fire Department shall be under the management of a Fire Commission, consisting of (three) five members, who shall be appointed by the Mayor, and each of whom shall receive an annual compensation of twelve hundred dollars ($1200). The term of each Commissioner shall be four years. ((, commencing at 12:00 o'clock noon on the 15th day of January in the years of 1948, 1949, and 1950 respectively.)\) The incumbents serving as members of the Commission on the effective date of this amendment shall continue to hold their respective offices subject to the provisions of the charter, for the remainder of the terms for which they have been respectively appointed.
The fire commission shall appoint a chief of department, a secretary and a department physician who shall hold office at its pleasure.

The fire commissioners shall be successors in office of the fire commissioners holding office in the city and county at the time this charter shall go into effect, and shall have all the powers and duties thereof, except as in this charter otherwise provided. The commissioners shall have power, upon recommendation of the chief of department, to send fire boats, apparatus and men outside the City and County of San Francisco for fire-fighting purposes.

Positions of officers and employees of the fire department legally authorized shall continue, and the incumbents therein legally appointed thereto shall continue as the officers and employees of the department under the conditions governing their respective appointments, and except as in this charter otherwise provided.

The several ranks in the fire department shall be: chief of department; deputy chief of department; chief, division of fire prevention and investigation; first assistant and second assistant chiefs of department; secretary to chief of department; battalion chiefs; supervisor of assignments, captains; lieutenants; inspector of fire department apparatus; engineers; chief's operators; drivers; tillermen; truckmen; hosemen; pilots of fire boats and marine engineers of fire boats; and the ranks specified in section 38.01 and 38.1 of this charter. The compensation for these ranks shall be determined as provided in section 38.2 of this charter.

The chief of department shall recommend and the fire commission shall provide by rule for work schedules or tours of duty for the officers and members occupying the several ranks of the fire department, provided however that all tours of duty established for officers and members assigned to the fire fighting companies, including the salvage corps, shall start at eight o'clock A.M. No such officer or member shall be required to work more than one hundred and twenty (120) hours in any fifteen-day period, nor shall any officer or member be required to work more than twenty-four consecutive hours except in case of a conflagration requiring the services of more than one-half of the force of the department. Officers and members may exchange watches with permission of the chief of department and time worked on such exchange of watches shall not be construed as time in violation of the limitation of 120 hours in any fifteen-day period nor twenty-four consecutive hours. Each such officer and each such member shall be entitled to at least one (1) day off duty during each week.

When, in the judgment of the fire commission, it is in the public interest that any such officer or member shall work on his day off and said officer or member consents to so work, he may at the direction of the chief of department work on said day off, and in addition to the regular compensation provided for said officer or member as set forth in this charter, said officer or member shall be entitled to be compensated at his regular rate of pay as provided for herein for said extra time served, or he shall be allowed the equivalent time off.

In any computation in the administration of the San Francisco City and County Employees' Retirement System in which the compensation, as defined in any provisions relating to the retirement system, is a factor, compensation for overtime provided for in this section shall be excluded, and no such overtime compensation shall be deemed as compensation for any purpose relating to such retirement provisions.

On the recommendation of the chief of department, the commission may reward any officer or member of the department for heroic or meri-
torious conduct, the form or amount of said award to be discretionary with
the fire commission, but not to exceed one month’s salary in any one
instance.

Officers and members of the uniformed force shall be entitled to the
days declared to be holidays for employees whose compensations are fixed
on a monthly basis in the schedule of compensations adopted by the board
of supervisors, pursuant to the provisions of section 151 of the charter, as
additional days off with pay. Officers or members required to perform
service in said departments on said days shall be compensated on the basis
of straight time as herein computed or shall be granted equivalent time off
duty with pay in the judgment of the fire commission.

For payroll purposes, that portion of each tour of duty which falls within
each calendar day shall constitute a single tour of duty. The rate of compen-
sation for the service performed by officers or members on a holiday or for
service performed on an assigned day off, as in this charter provided, shall
be calculated by dividing the annual rates of pay for each fiscal year by the
number of single tours of duty as scheduled for the several ranks in the
fire fighting companies in said fiscal year.

The chief of department or, in his absence, the deputy chief or any
assistant chief of department or, in their absence any battalion chief in
charge, may, during a conflagration, cause to be cut down or otherwise re-
moved any buildings or structures for the purpose of checking the progress
of such conflagration.

The absence of any officer or member of the fire department on military
leave of absence, as defined by section 153 of this charter, shall be reckoned
a part of his service under the city and county, for the purpose of computing
years of service in gaining added compensation as provided in this charter.

Civil Service Commission

Section 140. There is hereby established a Civil Service Commission
which is charged with the duty of providing qualified persons for appoint-
ment to the service of the city and county. All appointments in the public
service shall be made for the good of the public service and solely upon merit
and fitness, as established by appropriate tests, without regard to partisan,
political, social or other considerations.

The Civil Service Commission shall consist of ((three)) five members,
appointed by the Mayor. The Commissioners in office at the time ((of the
adoption of this charter, and this charter section as amended,)) this amend-
ment shall become effective shall continue in office until the expiration of
the terms for which they were appointed, and their successors shall be
appointed for terms of six years beginning on the first day of July im-
mediately following the expiration of the terms for which they were ap-
pointed; provided, however, that the terms of appointment of the two addi-
tional members, whose offices are created by this amendment, shall expire
on June 30, 1967, and their successors shall be appointed for terms of six
years beginning on the first day of July immediately following.

The persons so appointed shall, before taking office, make under oath
and file in the office of the county clerk the following declaration: “I am
opposed to appointments to the public service as a reward for political
activity and will execute the office of civil service commissioner in the
spirit of this declaration.”

A commissioner may be removed only upon charges preferred in the
same manner as in this charter provided for elective officers. Each of the
commissioners shall receive a monthly salary of one hundred dollars ($100).

Special meetings of the commission for the purpose of considering and
adopting examination questions shall not be open to the public. The regular meetings of the civil service commission shall be open to the public and held at such a time as will give the general public and employees of the city and county adequate time within which to appear before the commission after the regular daily working hours of 8 A.M. to 5 P.M. Such person or persons shall be given an opportunity to be heard by the commission before final action is taken in any case involving such person or persons.

Ayes: Supervisors Blake, Boas, Francois, McCarthy, Morrison, Moscone, Tamaras.

Noes: Supervisors Casey, Ertola, McMahon, Tinney.

I hereby certify that the foregoing Charter Amendment was ordered submitted by the Board of Supervisors of the City and County of San Francisco.

ROBERT J. DOLAN, Clerk.

ARGUMENT FOR PROPOSITION “G”

Proposition “G” is one of the most progressive steps taken in recent years to redraft in meaningful terms the City Charter. It will expand the respective memberships of the Police Commission, the Fire Commission and the Civil Service Commission to five members instead of three, with all the advantages and benefits to the people at large which go along with broader cross-representation of the various segments of our community.

Proposition “G” brings the Charter up-to-date. It adds consistency to our method of appointing commissions which serve as policymakers for their particular functions. It eliminates an inexplicable short-handedness which confronts the Police, Fire and Civil Service Commissions. All other City commissions have at least five members to share discharge of their increasingly demanding duties.

Proposition “G” will produce direct and substantial benefits for the public. It will enhance the proper administration of the departments. It will relieve the burdens on the commissions in the following ways, among others:

The present three-member commissions were created long before 1932 when the present Charter became effective. In our new era today, the greatly increased scope of municipal services, the expanded local services which our citizens expect and need, and the almost bewildering complexity of urban affairs demands that adequately-manned commissions be available to accommodate the day-to-day business which must be transacted. The Federal Government has recognized the need for specialized intensive treatment of these complex matters by creating a Department of Urban Affairs.

Five-member commissions will permit a larger, but still not unwieldy, number of members to delve into departmental problems and fix administrative policies.

Five-member commissions will enable commission responsibilities to be distributed to a greater extent among the members, who can thus devote a greater amount of time to assigned duties. This will be of particular value to the City in the handling of personnel problems which in growing numbers clutter commission calendars.

Five-member commissions will enable the members to assume more intensive investigatory functions, and they can personally develop facts for considered action in the best interests of their department rather than
rely completely on the reports of administrators who may not be wholly objective toward the employees involved or toward the public.

Five member commissions will not change the appointing power of the Mayor in any way, but it will enable him to take advantage of the opportunity to appoint more members representative of more areas and interests in the community. This will mean that where today a particular commission is deprived of representation from labor, or from the woman’s viewpoint, or from racial, ethnic and religious groups, the additional members may give the City the benefit of their fresh ideas in keeping with the demands of the times.

Five-member commissions will provide greater assurance that the commissions will be available at all times to discharge their duties. Today, if more than one member is ill or absent from the City, the commission is out of business because a quorum is not present to act. With a five-member commission, two members may be unavailable and yet the commission will continue to function without impairment, at the instant needed.

Five-member commissions will update our democratic representative concepts of local government. In 1940, San Francisco’s population was 634,536. About one out of twenty was Spanish-speaking or non-white. Today, San Francisco has a population of 755,700. About one out of three is Spanish-speaking or non-white.

The figures attest unequivocally to the need for more opportunities to bring to our commissions the insight, knowledge and understanding which is essential to adequate consideration and solution of the problems of these large minorities, to the best advantage of all the people of San Francisco.

Vote “Yes” on Proposition “G”—and give the people of San Francisco the benefit of broader cross-representation on City commissions.

Proposition G has been endorsed by:
- Bay Area Urban League, Inc.
- Catholic Interracial Council of the San Francisco Archdiocese
- Chinese American Democratic Club, Inc.
- Congress of Racial Equality
- Construction and General Laborers’ Union Local No. 261
- Council for Civic Unity
- Federated Young Democrats of San Francisco
- NAACP—San Francisco Branch
- Potrero Hill Homeowners and Residents Council
- S. F. Greater Chinatown Community Service Association
- San Francisco Joint I.L.W.U. Legislative Committee
- Yan Wo Benevolent Association
- Miscellaneous Culinary Employees’ Union No. 110, A.F.L.-C.I.O.

On September 7, 1965, the Board of Supervisors authorized the foregoing argument for inclusion in the election pamphlet for November 2, 1965, by the following vote:
- Ayes: Supervisors Blake, Boas, Casey, Ertola, Francois, McCarthy, McMahon, Morrison, Moscone, Tamaras, Tinneny.

ARGUMENT AGAINST PROPOSITION “G”

Vote No on G

There’s no more need for five members on the Police, Fire and Civil Service Commissions than for five legs on a stool.

There is only one reason for Proposition G at this time and that reason is an insult to the Negro community of San Francisco. The reason is to provide a special seat for a Negro on these commissions. The sponsors of Propo-
sition G apparently don’t think Negroes are good enough to qualify for com-
missions on their own.

We say this isn’t so—we say that there are Negroes on several other
city commissions without any special seats having been created for them.
We say that the Negro community of San Francisco is producing citizens
who are qualified for appointment to the Police, Fire and Civil Service
Commissions—without having to have a reserved seat.

Vote No on G

What’s more important to all of us—to the entire city, not just a special
group—is that the issues at stake here in this political commission-packing
scheme are not civil rights, but public safety and public employment.
The Charter calls for three members on each of these commissions
because this is the most efficient number to deal swiftly and justly with
police, fire and civil service problems. Five members makes fast action
difficult. In the case of the Police and Fire Commissions especially, adding
more members could be serious. They are frequently involved in major
emergencies requiring speedy action for the protection of all parts of the
public.

Some commissions have more members because they have more leisure
to deal with their problems—like the Social Service Commission, the Board
of Education, the Housing Authority, the Board of Permit Appeals. Inci-
didentally, there’s a Negro on each of these, but not for political reasons—
it’s because he or she deserved the job.

Vote No on G

Let’s not play politics with public safety or public employment. Let’s
not insult minority groups with this kind of patronage. Vote NO on G.
Members on these commissions, past and present, agree they’re not
over-worked. They have proved they can handle their problems on a three-
man basis. They don’t need another half-dozen executives to clutter up the
meetings and add to taxpayers’ expense.

Proposition G downgrades our minority groups by implying that they
need special preference. Vote NO on G. It’s just another kind of segregation.

Vote NO on Proposition G, the commission-packing scheme.

This statement is sponsored by the CITIZENS AGAINST PROPOSITION G: Don
Fazackerley, Chairman; William E. Allen, Marguerite Warren, Co-Chairmen. A partial
list of members includes: Peter T. Angel, Paul Bissinger, Frederick B. Butler, Allan
E. Charles, Arthur J. Dolan, Jr., Charles W. Dullea, Thomas Gray, Charles R. Green-
stone, Walter McGovern, Howard M. McKinley, Harold R. McKinnon, Max Sobel, Jerd
Sullivan, Ward G. Walkup, Sr., J. Warnock Walsh.

A NO VOTE ON PROPOSITION G is also recommended by the Central Council of
Civic Clubs, the Down Town Association, the San Francisco Police Officers’ Associa-
tion and other city employee, business, labor and civic groups and individuals.

CONTROLLER’S STATEMENT PURSUANT TO CHARTER SECTION 183
PROPOSITION “G”

Amends Sections 35, 36 and 140: Increases membership of Police Commiss-
ion, Fire Commission and Civil Service Commission from three to five
members each.

Should the proposed charter amendment be adopted, based on the pre-
sent annual compensations, it is estimated that the increase in the cost of
government would be $7,200 annually.

Based on the 1965-1966 assessment roll, $7,200 is equivalent to four
hundredths (0.04) of one cent in the tax rate.
