Rosetta Stone may ask you to test and calibrate your microphone or headset if you are using the platform for the first time.

Follow the instructions on the screen to continue.
Start a Course
Course Structure

Level 1

Unit 1  Unit 2  Unit 3  Unit 4

There are 4 Units in every Level
There are 4 Lessons in every Unit
Course Structure

There are 8 activities supporting each lesson
“Focused Activities”
**Activity Definition**

**Core Lessons**: Learn the language and language structures

**Focused Activities**: Reinforce core lesson material and build skills

**Reviews**: Test of core lesson material with additional *Adaptive Recall*

**Milestone**: Practice conversation learned at the end of each unit with the computer
Types of Activities

Choose an Image - Click on the picture that matches spoken words and/or text.
Choose a Prompt - Click the small image or text to match the pictures or text boxes below.
**Practice Speaking** - Speak into the headset microphone if available, or just practice speaking.

La niña bebe.

El niño bebe.

La niña come.

El niño come.
Types of Activities

Produce a New Phrase or Sentence - Produce a new word or phrase that fits the context.

- Ella bebe.
- Ella come.
- Él bebe.
**Pronounce Syllables** - Repeat each syllable after the native speaker. Put the syllables together to pronounce the word correctly.
Types of Activities

**Use Speech Analysis** - On any Speech screen, click the Speech-Analysis icon to open a new screen. This screen allows you to mimic the speaker's voice to see a graph of your voice. Use the Record icon to record your voice and click the Speaker icon to review the recording.

The girl is drinking.
Types of Activities

Select from Multiple Choices - From the options, click on the one that correctly completes the phrase or sentence.
**Practice Writing** - Type the phrase on your computer keyboard or use the on-screen keyboard.

`un niño`

`come`
Using Rosetta Stone with the mobile app

iPad/iPhone

Available on the App Store

Android

Google play
*After creating an account online, get the free app for Android or iPhone

*NOTE:* Getting the app is only necessary if you plan to use Rosetta Stone on a mobile device.
Signing into the app – select Enterprise and Education Learners

* NOTE: Getting the app is only necessary if you plan to use Rosetta Stone on a mobile device.
Username and password are the ones you used to sign up for the online version of Rosetta Stone. *Online portal = sfpl, then tap Sign In.

For the Apple app, “Online Portal” is called “Namespace.” Type sfpl.

*NOTE: Getting the app is only necessary if you plan to use Rosetta Stone on a mobile device.
Tips for accessing Rosetta Stone - Library Edition

• If you are accessing Rosetta Stone from the web (i.e. not the mobile app), always sign in from the library’s Rosetta Stone website.

• If you are accessing Rosetta Stone from the web, be sure to enter the same language each time you are prompted (two times).

• If you are accessing Rosetta Stone from the mobile app, be sure to type \textit{sfpl} (lowercase) for “namespace” or “online portal.”
