Branch Capital Projects
Feasibility Study (Jan-Feb 2018)

Ocean View Findings
• Building size is small for community needs
• Program room is too small and inflexible
• Building not easily recognized as a library
• Teen area insufficient
• Service areas difficult to oversee
• Current site limits renovation and/or expansion
Community Engagement

- Conversations with Community Leaders (Jan-Mar 2019)
- Surveys of Community Members (ongoing)
- Community Meetings
  - February 20, 2019
  - March 9, 2019
  - March 12, 2019
Ocean View Residents’ Feedback

• Very limited space for physical collections
• Lack of adequate seating and study tables
• Lack of a defined area for teens
• Lack of spaces for individual or group study
• Meeting room unable to accommodate attendees of library events
Community Engagement Outcomes

• The Ocean View community stressed that a renovation has several limitations
• Residents also stated their desire for a new, much larger Ocean View Branch
• District 11 Supervisor Safai supports a new branch and identified a prospective site on Brotherhood Way
