MANY WAYS TO STAY ACTIVE THIS SUMMER

READ
Challenge yourself to read more. Experience a new world through eBooks, eAudio and eComics. Ask your friends for their recommendations.

ENJOY
Catch a favorite performer every Wednesday at 11 a.m. We’re bringing the talent to your screen. Get ready to see Alphabet Rockers, Boswick the Clown, Tree Frog Treks and more local artists and makers.

LEARN
Tune in Tuesdays at 11 a.m. for the weekly STEM Challenge Yo’Self program. Discover how to bend water, make edible butter, be a data scientist, harness air resistance and more using household items.

CREATE
Discover activities inside this guide and get crafty with materials from your home. Start your own Harry Potter bookclub with friends, write a letter to a pal, design a LEGO challenge for your grownup. Inspire others by sharing what you make and tagging #SummerStride on your favorite social channel.

EXPLORE
Go on an urban hike in your neighborhood. How many rainbows or bears will you find? What types of sounds do you hear? Use all your senses to explore your community.

CONTRIBUTE
Submit photos, videos and more to the COVID-19 Community Time Capsule. Put on your archivist’s hat and help us capture what is different in the world today.
