

SAN FRANCISCO PUBLIC LIBRARY MAIN LIBRARY

Irene Aquino, Project Architect, Public Works
Tom Fortin, Chief of Main

UPDATES

1. Main Library Talking Books and Braille Center (TBBC)

TALKING BOOKS AND BRAILLE CENTER

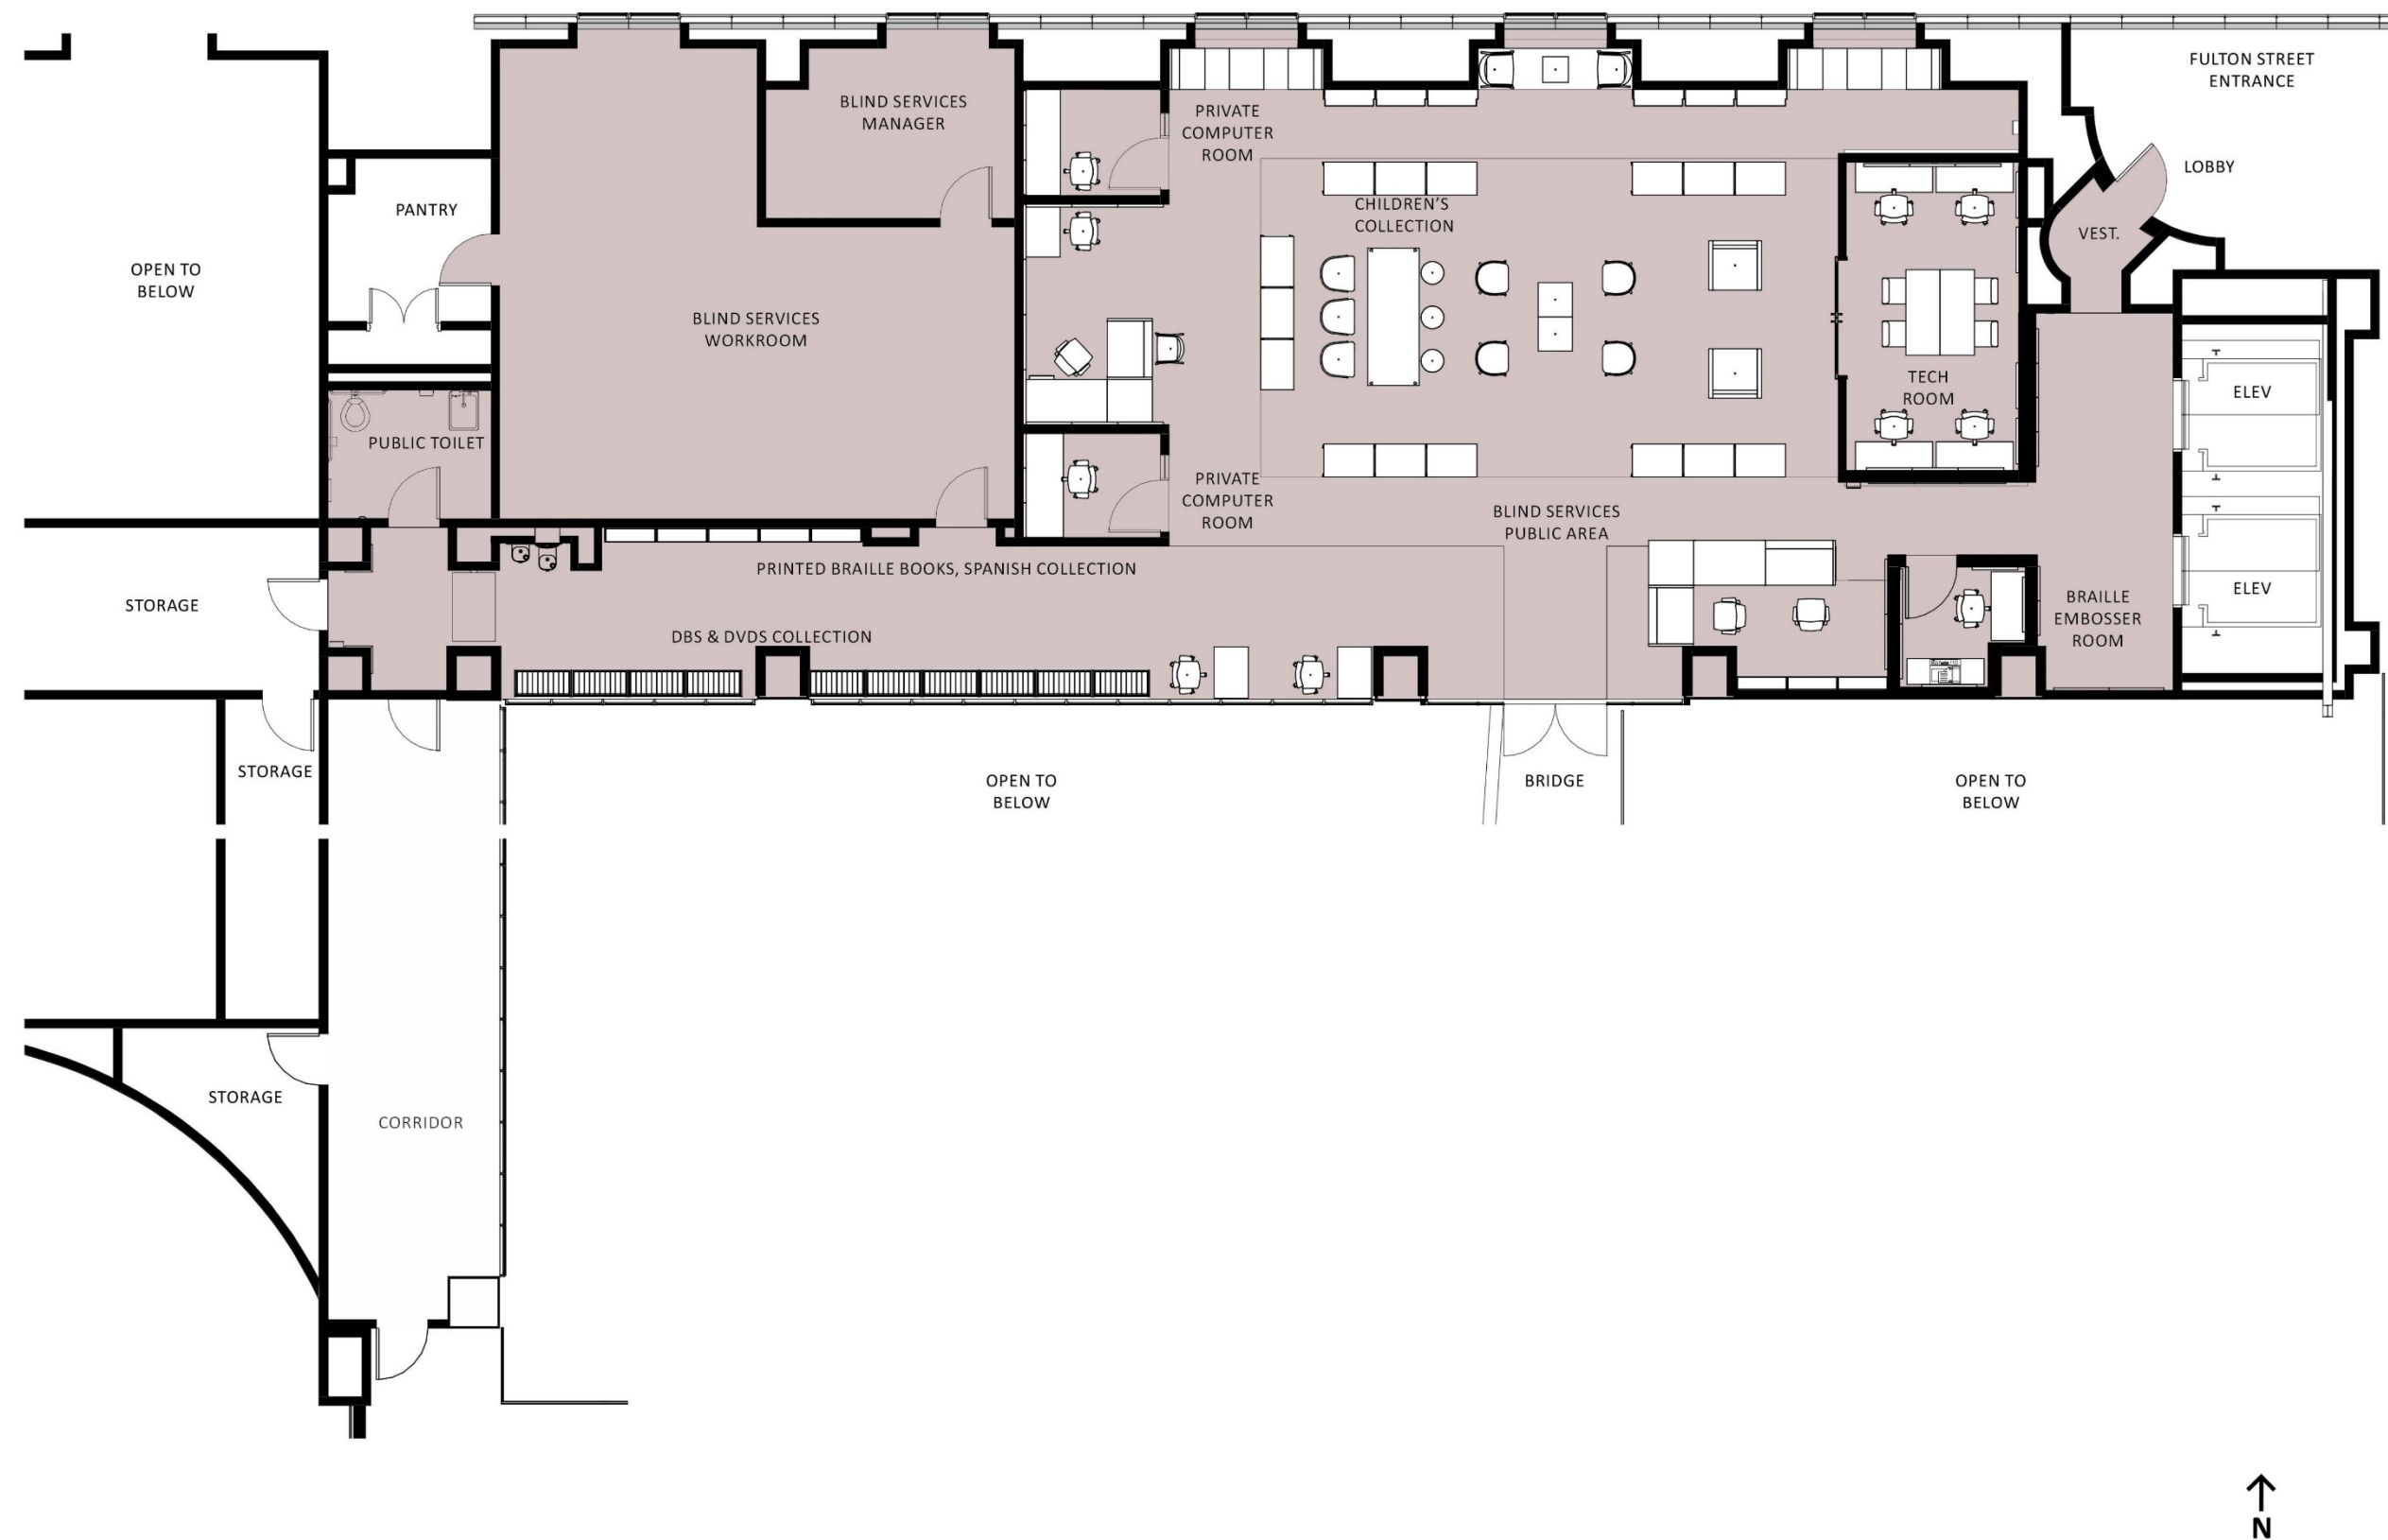

DESIGN GOALS TO REFLECT UPDATED TBBC SERVICE MODEL

- Create flexible space for enhanced programming and multiple uses
- Manage assistive technology
- Provide space for Peer Learning Room
- Improve acoustics and personal space
- Enhance wayfinding methods
- Foster interactions among patrons and build community with an open floor plan

DESIGN REFERENCE PROCESS

- Engaged the services of a well-known Blind and Visually Impaired Consultant
- Worked with TBBC staff, patrons and the Advisory Committee(AC)
- Toured Lighthouse for the Blind
