Digital Connections Initiative

Digital Connections Initiative (DCI) Goals:

- Build collaboration between the City & community
- Reduce, reuse, recycle
- Bridge the digital divide
- Create career opportunities for underserved community

DCI Partners

- Office Of Digital Equity
- Dev/Mission

- SFPL IT
- Tech Exchange

Office of Digital Equity

- Office of Digital Equity (ODE) Goals:
 - Access
 - Digital skills & usage
 - Long-term impact
- ODE-SFPL IT partnership
- Community development & support
- Tech Exchange's focus:
 - Seniors
 - Youth
- Equitable & diverse digital society

Dev/Mission

- Dev/Mission Goal:
 - Connect overlooked populations to careers in the tech industry
- Young adults ages 16-24
- Services provided:
 - Tech training programs in hardware & coding
 - Connecting youth to tech companies
- DCI provides tech for training programs

Digital Connections Initiative

- DCI statistics:
 - 58 units delivered to Digital Equity
 - 100 units delivered to Dev/Mission
 - 210 ready for deployment
- Ongoing collaboration between ODE & SFPL IT will continue to grow and evolve
