MetLib Learning Circle Workshop: Libraries as Learning Grounds for Convivencia

Convivência Skills

				
Attentiveness and curiosity	Care for the life of the city	Worldliness	Aversion to the pleasures of hating	Building a home in a landscape of division

Library as a diverse cultures hub – main activities

- Active cooperation with more than 20 embassies and foreign cultural centres located in Belgrade
- Provision of special spaces, such as the American Corner, with unique collections and diverse programming activities
- Formation of foreign language book collections, such as the Chinese culture collection
- Strategic collaboration with foreign libraries through program exchanges
- Events dedicated to the cultures of other countries
- Cooperation with CSOs / NGOs that promote other cultures
- Exhibitions of foreign artists and exhibitions showcasing other cultures in BCL galleries
- Tourist information point
- Worldwide displays of the exhibitions highlighting the works of prominent Serbian writers, which the BCL produced
