Center**

APIA Biography Project

ASIAN PACIFIC ISLANDER AMERICAN APIA BIOGRAPHY PROJECT

apiabiography.sfsu.edu

The 11th anniversary of the [APIA \(Asian Pacific Islander American\) Biography Project](#) highlights distinguished APIA singers, past and present, local and international, engaged in social justice through their actions and/or lyrics in the music industry.

1. View “Wall of Fame” and related exhibits at the [Children’s Center](#) and the [Chinese Center](#)
2. Participate in a scavenger hunt at the Main Library. The first 50 children ages 12 and under get a free prize bag
3. Throughout May, access videos and activities³

Thank you for your time.

Books are sometimes windows, offering views of worlds that may be real or imagined, familiar or strange. These windows are also sliding glass doors, and readers have only to walk through in imagination to become part of whatever world has been created and recreated by the author.

Literature transforms human experience and reflects it back to us, and in that reflection we can see our own lives and experiences as part of the larger human experience.
