# Summer Stride 2024

# The Value of Summer Learning

## Summer Slide

### The Faucet Theory

- ✓ Math & reading loss
- ✓ High school & college attendance
- ✓ Diminished quality of life

## The Library plays a special role in the summer

### Summer Stride versus Summer Slide!

- ✓ High quality programs increase engagement
- ✓ Exploration of library materials foster a lifelong love of reading
- ✓ Community partnerships and outreach provide access to resources for historically marginalized and underserved families

Sendy Santamaria is an illustrator and author from San Diego based in San Pablo, California. She grew up along both sides of the border between San Diego and Tijuana. Her debut picture book, *Yenebi's Drive to School* (Chronicle Books, 2023), highlights her commute from Tijuana to San Diego to go to school every weekday. She is inspired by migration, perseverance, pigeons and love.

### Learn How to Say "Thank You" Like the Locals

It's not too late to learn some new words or phrases to make the most of your international summer travels. Head over to [sfpl.org/learning](http://sfpl.org/learning) and explore the "Language Learning" section to connect to the Mango Languages & Rosetta Stone platforms with an active SFPL card and PIN and start practicing now. Both tools are excellent in their own way. Mango Languages offers an interactive set of courses with more than 70 languages. Rosetta Stone shares immersive images and audio in 30 languages. Why not try both? If time is running out, focus on keywords that will help you feel confident in interacting with others and getting around. Practice on your personal computer or download the apps to your mobile devices to continue learning even upon arrival at your destination.

camping enthusiasts can travel light by loading titles from The Falcon Guides and 101 Hikes onto a smartphone. If you prefer magazines, SFPL offers travel, cooking and fashion titles in full digital color on Flipster, PressReader and Kono (Chinese and Japanese). Download these for free from your app store.
