BARD (Braille and Audio Reading Download) is a web based, password-protected service that provides access to thousands of audio and braille books, magazines and music scores available from NLS. The service is available as an application on a Windows or Mac computer or on an iOS or Android device. The mobile application, known as BARD Mobile, includes built-in playback capability so you can enjoy talking books anytime, anywhere.

Service delivery for library materials (Check 1, 2 or Both)

- I have personal mobile device (iphone, Android, iPad or Kindle Fire) and internet or cellular access. I want to download digital talking books and/or eBraille materials to read instantly with the free BARD Mobile application. Please provide your email address for BARD registration: _____
- I either do not have a personal mobile device or I have one but prefer not to use it for talking books. I want my library to **send books to my home by USPS.**
- Both,** I have a personal mobile device and would like to access the free BARD Mobile application, and I would also like books sent to my home by USPS.

I would like materials on the following format. (Check all that apply)

- Digital talking books and magazines on cartridge/flash drive.
- Hard copy braille books and magazines.
- Music appreciation/braille or large-print scores/instructional talking books and magazines on cartridge/flash drive (the NLS Music program does not provide recorded music for recreational listening.)
