Web <http://www.csdeagles.com/>

The California School for the Deaf serves about 500 Deaf children from birth through high school who reside in northern California. The school offers an environment which fosters full communication access using ASL and English. CSD offers comprehensive educational programs in a positive and accessible learning environment which acknowledges Deaf students and adults as culturally and linguistically distinct. The involvement of parents, students, staff and the community is perceived as crucial to success of the students.

If you would wish to be on their mailing list for upcoming events or workshops, write or call the number listed above.

**CDC National STD/AIDS Hotline**

American Social Health Association

P.O. Box 13827

Research Triangle Park, NC 27709

Voice

Fax (919) 361-4855

Email [chalud@ashastd.org](mailto:chalud@ashastd.org)

Web <http://www.ashasexualhealth.org/>

CDC National STD/AIDS Hotlines' TTY Service has a free TTY number. Specially trained operators answer questions about STD and HIV/AIDS from Deaf, Hard of Hearing, DeafBlind and other TTY users. These operators are skilled in American Sign Language (ASL) and English. Spanish operators are also available.

Operators are available from 10 AM to 10 PM (Eastern Time), Monday through Friday, including holidays. A taped message gives information about SSTF and HIV/AIDS at all other times.

Deaf, Hard of Hearing, DeafBlind and other TTY users can call from anywhere in the United States, including U.S. Virgin Islands and Puerto Rico.

The Hotline helps people by giving

Free, private information about STD and HIV/AIDS

Information about places to go for help; for example, STD and HIV test sites and local support

services.

Free pamphlets and posters.
