

Rolling Walker Use Agreement and Release from Liability

Eligibility

Rolling walkers to borrow will be made available to the following patrons:

- Patrons who have an SFPL library card (excluding welcome, visitor, or digital access cards) with no outstanding fines of \$10.00 or more
- Patrons who have read, understood and signed this Rolling Walker Use Agreement and Release from Liability
- Patrons ages younger than 13 must have this Rolling Walker Use Agreement and Release of Liability signed by the parent/guardian as listed on the library card
- The Rolling Walker Use Agreement and Release from Liability must be signed in the presence of a library staff member at the Service Desk

Patron responsibility

- Rolling walker users must check out the equipment at the Service Desk and must show their current library card at the desk (or a valid California Driver's license showing residential address or valid California State Identification Card showing residential address).
- Rolling walker users agree to assume responsibility for proper use and care of library equipment and for returning rolling walkers in the same condition as when checked out. Any malfunctions should be reported immediately to library staff. When the rolling walker use period is over, the borrower is responsible for returning the rolling walker to the Service Desk. Users will be required to wait while the rolling walker is inspected to insure that it is in the same condition as when it was checked out and that all equipment is intact before the rolling walker is checked in.
- All rolling walkers must be returned 15 minutes before library closing time. Failure to return a rolling walker on time or leaving rolling walker unattended will result in suspension of rolling walker borrowing privileges. If a rolling walker is not returned by closing, the rolling walker will be considered stolen property and reported to law enforcement authorities.
- Vandalizing, abusing or stealing Library materials or equipment is prohibited under the Library's Patron Code of Conduct and will result in suspension of library privileges. In addition, patrons who steal, vandalize or abuse a rolling walker may be reported to law enforcement authorities and be subject to criminal and/or civil penalties.
- **Rolling walkers should never be left unattended or loaned to another person.**
- **You are responsible for the safe return of the rolling walker.**

Loan Period

- Rolling walkers can be borrowed for in-library use only and are not to be taken from the library.
- Rolling walkers can be used for a maximum of 3 hours.
- Rolling walkers are due back to the Service Desk 15 minutes prior to the library closing. Rolling walkers cannot be borrowed 30 minutes or less prior to the library closing.

San Francisco Public Library
