DISCUSSION:

What do you like about the Ocean View Library?

- Children can learn from the storytime and teachers
- Puzzles, toys and hands-on learning
- The "teachers" (librarians)
- It's close to home
- Music and singing; more music!
- Love summer programs
- Petting zoo
- Programs with the National Park

What else would you like to see at your library?

- More and new events for children
- Provide both English and Chinese language librarians
- Programming for older children

What do other libraries do that we should do?

- Mission Branch has two storytimes; more storytime; storytime every day
- Other libraries have better program rooms. Our program room is too small.

What do you think of the collections, materials, and online resources?

- Enough for me
- Pick up holds is convenient
- Spanish collection is too small – no comparison to English
- Please make Spanish language collection the same size as English

Do you have other feedback to share?

- Move closer to Minnie Lovie because we love the proximity to playground!
