Sheriff's Department Pilot Program Qualitative Analysis

- Research, Strategy, and Analytics team surveyed staff reaction to Sheriff's pilot program
- Positive responses from staff:
 - "...it is VERY COMFORTING and reassuring to the staff of The Mix to know that Sheriff's Department personnel are so close by if violent or threatening behavior does occur. Thank you for the extra layer of protection, please continue to provide it for patrons and employees..."
 - "Response time has shortened and visibility has increased--both good."
 - "Thank you for gathering feedback. I am fine with the Sheriff's Department's presence and have had positive interactions with them so far. I hope the level of professionalism and priorities of de-escalation continue!"

Sheriff's Department Pilot Program Next Steps

- Continuance of partnership
- Refinement of work order agreement
- Enhanced staffing model using second deputy
- Improving communication/working relationship with SFPL staff
- Continued integration with public services and service excellence culture
