MY SUMMER STORY

This summer I went to Dubai. My Mom went to Louve, and the rest of the family (cousins, uncles, and aunt) went to a waterpark called Yas Waterworld. We had tons of fun. We also watched the FIFA World Cup. I think this was my best summer

75,407 raffle entries

1181 free programs

More than 16 million minutes of reading, learning, listening and library time

31,163 youth participated in
962 STEM programs

The background of the slide is a collage of four images. On the left is a close-up of various succulents in small pots, showing different colors like green, purple, and pink. In the center and right are images of handmade items. The top center shows two fabric face masks with blue and white patterns, one with a plaid design and the other with a floral design, resting on a light-colored surface. To the right of the masks are two large, multi-layered paper flowers, one white and one pink, with a person's hand visible holding the pink one. A yellow banner with a wavy border is overlaid on the center of the collage, containing the text.

2,687 adults participated in
156 adult programs
