

# Facilities Projects Update

Library Commission Meeting  
June 21, 2018

# Projects Update

- Eureka Valley/Harvey Milk Memorial Library Landscaping Project
- Main Library Elevator Upgrade

# Main Library Elevator Upgrade

- The Main Library's public and staff elevators will undergo a complete upgrade of all mechanical and control systems
- Projected cost is \$4.5M for all Main Library elevators
- Five public and two staff elevators
- Huge improvement in reliability

# Main Library Elevator Upgrade

- Scope of the Project
  - ✓ New controls and motors
  - ✓ Refurbishment of doors and cabs
  - ✓ Rebuilding of all mechanical components in hoistways
- Timeline
  - ✓ Bidding Summer 2018, completion one to two years
- Impact on public service and staff
  - ✓ Some delays will be unavoidable but will be minimized
  - ✓ If necessary staff elevators can be used to transport patrons
  - ✓ Increased messaging through signage, website, and social media

# Eureka Valley/Harvey Milk Memorial Library Landscaping Project

## Background:

- Goal – Provide welcoming and attractive grounds, which are safe and easy to maintain, for the benefit of patrons and staff.
- Phase One Completed October 2017
- Phase Two construction started February, 2018
